

I DON'T JUST LOVE YOU DOWN THERE

Red Peters with The Harry Kuntz Orchestra

I don't just love you down there
I really care about you as a person
I don't just dream of your thighs
for in my eyes
you fill up my skies
with your prize
but I really love you as a person

I keep on dreaming
and scheming
and reaming
you're gleaming
and screaming
tonite

I don't just love you down there
yet I'm aware
what you've got down there
that's where I stare

but I really love you as a person

I really, really do....
