

THE CHRISTMAS GIFT (Just A Little Christmas Blowjob)
Red Peters with Margaret Cho and the Alan Pinchloaf Singers

(words and music by Dick Shreve aka Durwood Douche')

spoken-

Margaret—*This has been a wonderful Christmas- don't you think so Red?*

Red- *I don't know Margaret...*

Margaret- *What's the matter Red? Didn't you like your presents?*

Red- *It's not that. Christmas should be more than just getting presents.*

Margaret- *Whatya' mean Red?*

Red- *It's more about giving- I'm just not fulfilled.*

Margaret- *You're right. We need to open up our hearts.*

Red- *Well, we need to open (up) something...*

sung-

The presents are opened
And dinner is done
The ballgames are over
The other teams won
So if he seems a little out of sorts
Already bored with his new Christmas shorts
You can give his spirit a lift
With just one more gift

Just a little Christmas blow job
Will brighten up his day
Just a little Christmas blow job
Will soothe his care away
You'll hear the church bells ringing
He'll grab your pumps and curls
And festoon your face till it's dripping with pearls

Just a little Christmas blow job
Will wrap up Christmas day

(background vocals sing "la-la-la-la-la-la-la-la")

spoken-

Red - *I'm feeling so much better Margaret, don't you?*

Margaret - *mmm-m...*

Red - *And don't you agree it's better to give than receive?*

Margaret - *(mumbles and chokes)*

You'll mumble Merry Christmas
And oodles of good cheer
And then he'll reply
Can the chit-chat my dear

Just a little Christmas blow job
Will wrap up Christmas day
Will wrap up Christmas day!

spoken-

Red- *Merry Christmas Margaret.*

Margaret- *(coughs)*
