

# THE TWO GAY IRISHMEN

*RED PETERS with the Smokin' Cockneys*

The whole clan met at Galway Bay  
where seamen push up stools  
they were giggling like the Coleens  
while playing pocket pool  
they washed their balls in stout that night  
and bid their last good-byes  
"We're off to kiss the Blarney Stone,  
so zipper up your flys!"

## CHORUS

Well fudge your undies laddies  
you're on you're way to Blarney  
with Gerald Fitzpatrick  
and Patrick Fitzgerald  
the two gay Irishmen!

"Grab your bags!" cried Pat Magroin  
it's time to pick your seat  
Paddy O'Furniture grabbed the wheel  
Dick Burns turned up the heat  
they fiddled and diddled all full of malachy  
their trousers felt a lump  
so the Bulgers grabbed their Johnsons  
and gave them all a pump

CHORUS

Well fudge your undies laddies  
you're on you're way to Blarney  
with Gerald Fitzpatrick  
and Patrick Fitzgerald  
the two gay Irishmen!

Peter Hickey, Rick O'Shea  
Neal Downe and Phillip McCann  
Dick Long pulled out his shillelagh  
and with it lead the band  
Phil McCracken started snackin'  
on leprachan-on-the cob  
the bus began to rumble  
and heads began to bob.

(instrumental break)

And so they kissed the Blarney Stone  
and grabbed the gift of gab  
Connie Lingus snapped their portrait  
in front of that mossy slab  
all they had on were the smiles on their faces  
a grinnin' from ear to ear  
from left to right  
I'll call out their names  
I'll tell you who was there...
