

WHEN I JERK OFF, I THINK OF YOU

Red Peters with the Alan Pinchloaf Singers

When I jerk off I think of you
When I jerk off I think of you

when I close my eyes
I fantasize
your face on my mind (*that's what he says*)
we start to dance
your hand down my pants
I don't mind going blind (*it's a wonderful attraction- he creates his own action*)
When I jerk off (*when he jerks off*)
I think of you (*and you, and you*)
when I jerk I think of you, dear
the girl at the bank's (*ooo*)
got me yanking my crank (*ooo-ooo*)
but she doesn't have a clue (*oh no*)
that when I jerk off (*ba-do-ba-do-ba*)
I think of you (*supposedly you're the one he thinks about when he pulls his pecker out*)

spoken-

Darling, when I close my eyes, I only see two people- you and me (we don't believe it)
No really, because you are such a perfect vision of beauty, there's no way I can imagine myself with anyone else (yeah right)
and I picture you running into my arms in slow motion
and I could Fff... make love to you forever, and ever and ever (that's impossible)
and at that moment our bodies and souls become one
I love you so much. You light up my life. (what a wicked bunch of bullshit!)

When I jerk off (*when he jerks off*)
I think of you (*and your sister, and the stripper last night, and the broad down the hallway*)
When I jerk off (*five times a day*)
I think of you (no way!) dear (*nobody does it to just one*)
the oil on the shelf
helps me pleasure myself (*do-do-do-do*)
and think of those things you do (*do-do-do*)
cuz when I jerk off (*when he jerks off*)
I think of you (*he's a fucking liar- his pants just caught on fire*)

when I jerk off I think of you
when I jerk off (*when he peels his bonana*)

I think of you dear
I have to confess
that I make a mess
my underpants stick like glue *(that's gross)*
cuz when I jerk off I think of you
*(the girl at the bar, the one in the car, your sister, your mother, your cousin, your brother,
hey!)*
and nobody else!
when I jerk off *(when he jerks off)*
I think of you
(he pulls out his pecker, he's a pecker wrecker, he jerks off and thinks about you!)
