

# YOU PROMISED THE MOON (But I Preferred Uranus)

*Red Peters (featuring Babe Marino & his Orchestra and The Alan Pinchloaf Singers)*

You promised the moon  
but I preferred Uranus  
the stars must be right  
cuz Uranus looks good tonight.

The moon was in June  
how it inflamed us  
a beautiful sight  
and Uranus looks good tonite.

I'm not queer  
I'm just experimenting an idea  
the feeling's unrelenting  
when you're near  
that feeling starts extending  
towards your rear.

Ain't it clear  
I just wanna bone ya'  
have no fear  
I'm not full of balogna  
You and I could fly to Uranus tonite!

(instrumental)

I'm not queer  
I'm just experimenting an idea  
the feeling's unrelenting  
when you're near  
that feeling starts extending  
towards your rear

Ain't it clear  
I just wanna bone ya'

have no fear  
I'm not full of balogna

You and I could fly so high  
in the sky, in the night  
well allright, yah, you bite  
You and I could fly to Uranus
