Meet Porto and the Region

To choose only 1:

9:00 - 19:30 Douro Valley Experience:

Enjoy a day trip to the Douro Valley, a World Heritage Site by UNESCO and the heart of the famous Port Wine and Douro DOC wines. You will visit the farms during the sought-after harvesting period, enjoy the amazing scenery up the river from a Rabelo boat replica and learn more about the unique Douro during wine tasting experiences conducted by local experts.

Please note that this activity will finish around 7pm. Make sure to book your Hotel Room accordingly to this time schedule.

10:00 - 15:00

Beach Fun Extravaganza:

a unique opportunity to navigate the Douro river and the Atlantic Ocean. Take a seaside seat on a yacht in Douro Marina to set sail up the river, enjoy a marvellous view of Porto and see city landmarks. We will enjoy drinks and tapas served by the crew as we learn about the history of this city. Then we will depart in a tranquil cruise in the Atlantic Ocean. You might even have the opportunity to take a dip (weather permitting). We will disembark in one of the many great chill outs in Porto to enjoy a beautiful sunset and close an amazing reunion in great style!

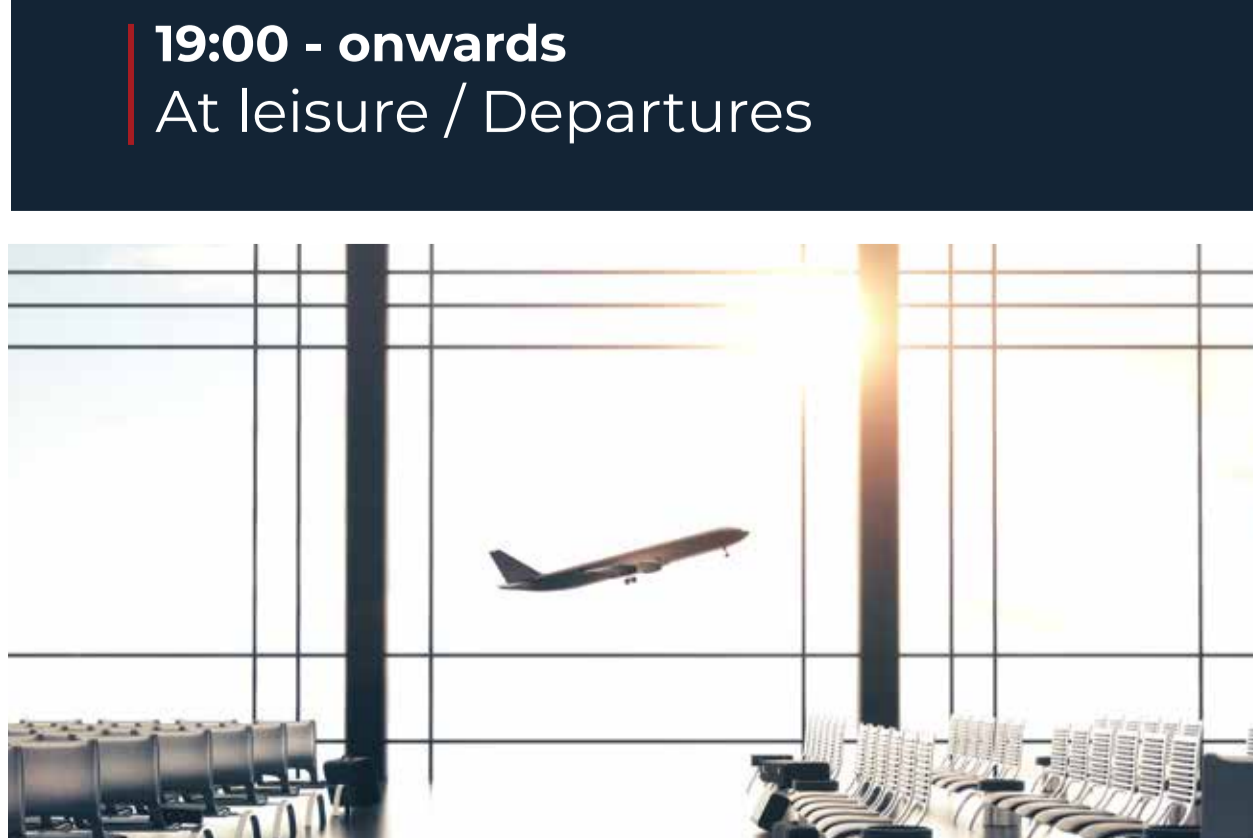

10:00 - 15:00

City & Gourmet Tour:

Guided tour through the main city landmarks, from the birthplace of Henry the Navigator to visionary Pritzker architecture. We'll then go backstage with a Michelin-Chef to learn about the diverse Portuguese gastronomy and how it was influenced from exchanges with all around the globe as he prepares a multi course meal across the different regions as a final farewell to our time here.
