Preparation guide for

Jhalana Leopard Safari

NOV 24th | 6:00 am to 10:00 am

Temperatures can drop significantly, especially if there's a breeze. Moreover, the area might be damp due to morning dew.

Recommended attire

Layers:

Long-sleeved shirt, light sweater, waterproof jacket.

Long pants:

Protect yourself from insects and vegetation. Choose neutral colors.

Closed-toe footwear:

Hiking boots or sneakers with good grip.

Neutral colors:

Blend in with the surroundings.

Hat/cap:

Protect your head.

Scarf:

For warmth.

Binoculars

Insect repellent

Sunscreen SPF 50+

Water bottle

Silence:

Respect the animals.

Environmental respect:

Don't litter.

Safety:

Follow your guide's instructions.
