Therefore, your Institution must abide with the ETDP SETA policies and procedures on accreditation, monitoring; assessments, verification and certification. As a Skills Development Provider, it is imperative that quality training is conducted against the national standards and quality assurance requirements, in the event of non-compliance, the ETDP SETA shall investigate the complaint/s and may de-accredit your Institution.

During this accreditation term, your Institution must upload learner achievements, implement and review its Quality Management System. The learning programme training period will take on the lifespan of the unit standard, qualification or the accreditation duration of your Institution or whichever date comes first. It is, therefore, your Institution's responsibility to ensure that the learning programme is updated and meets the necessary quality assurance requirements. Furthermore, your Institution is responsible for the submission of a re-accreditation application, which must be made to the ETDP SETA at least one (01) year before the expiry date of the accreditation term.

USE OF ETDP SETA LOGO

Please take note that the provider may not use the ETDP SETA logo under any circumstances if written permission is not granted. The ETDP SETA will not hesitate in taking legal action should this be violated.

NATIONAL LEARNER RECORDS DATABASE (NLRD) UPLOAD

The ETDP SETA is pleased to report that your company details have been updated on the ETDP SETA MIS system and your accreditation information will be uploaded every year to SAQA for the purposes of updating the National Learner's Records Database (NLRD).

DUAL ACCREDITATION

Primary accredited provider wishing to extend their scope to include programmes that are quality assured by a particular ETQA should inform the ETDP SETA and the provider will be granted programme approval by the secondary ETQA. Once accredited the provider may not seek accreditation with any other ETQA.

Yours sincerely
