

PICTURES

Photographic Memories will be taking both group and individual pictures at the dance studio on Monday, Tuesday, Wednesday and Thursday April 22nd, 23rd, 24th and 25th. Pictures are optional. I would like to encourage everyone to come and get group pictures taken even if you are not purchasing. I would like a picture of each class to hang on my wall. Pictures will be available for pick up at the auditorium during dress rehearsal or during summer classes at the studio. A separate envelope is required for each class. Additional envelopes will be available at the studio. Out of courtesy to Billi Gerling please do not bring cameras on this day.

We will be using the main studio (Studio A) as a dressing room so the students can have more space changing their costumes. The smaller studio (Studio B) will be used to take pictures. One student at a time will be in studio B for individual pictures.
