RE: IMED CV Clinic – Bid Addendum No. 03  
Narrative of document changes  

Below is an outline describing changes to the IMED CV Clinic 100% Construction Documents (dated June 10, 2020) which incorporate comment pick-ups, and clarifications of design intent.

The Contract Documents for the above referenced Project are modified as set forth in this Addendum. The original Contract Documents and any previously issued addenda remain in full force and effect, except as modified by this Addendum, which is hereby made part of the Contract Documents. Bidder shall take this Addendum into consideration when preparing and submitting a bid, and shall acknowledge receipt of this Addendum in the space provided on the Bid Form.

**Revised Drawings:** (Revisions clouded and tagged with delta 3)

**Electrical:**  
Revisions to drawings EY105.A, EY105.B, and EY601 in response to the following RFI received late Friday, 7/10:

**RFI:** Upon further review of the IHC IMED CV Clinic, we have found that while the sound masking and TV are called out in the specs and electrical plans, there is not a drawing design included in the plans (EY101A and EY101B) for either one. If you have any additional plans that will help us, please send at your earliest convenience.

**Attachments & Supporting Documents**

1. Revised Electrical Drawings as noted above
