

PROJECT: INTERMOUNTAIN HEALTHCARE LIVEWELL

ARCHITECT'S PROJECT NO.: 1918

DATE OF ADDENDUM: NOVEMBER 27, 2019

TO: ALL BIDDERS

FROM: RAY BERTOLDI

ADDENDUM NO: 2

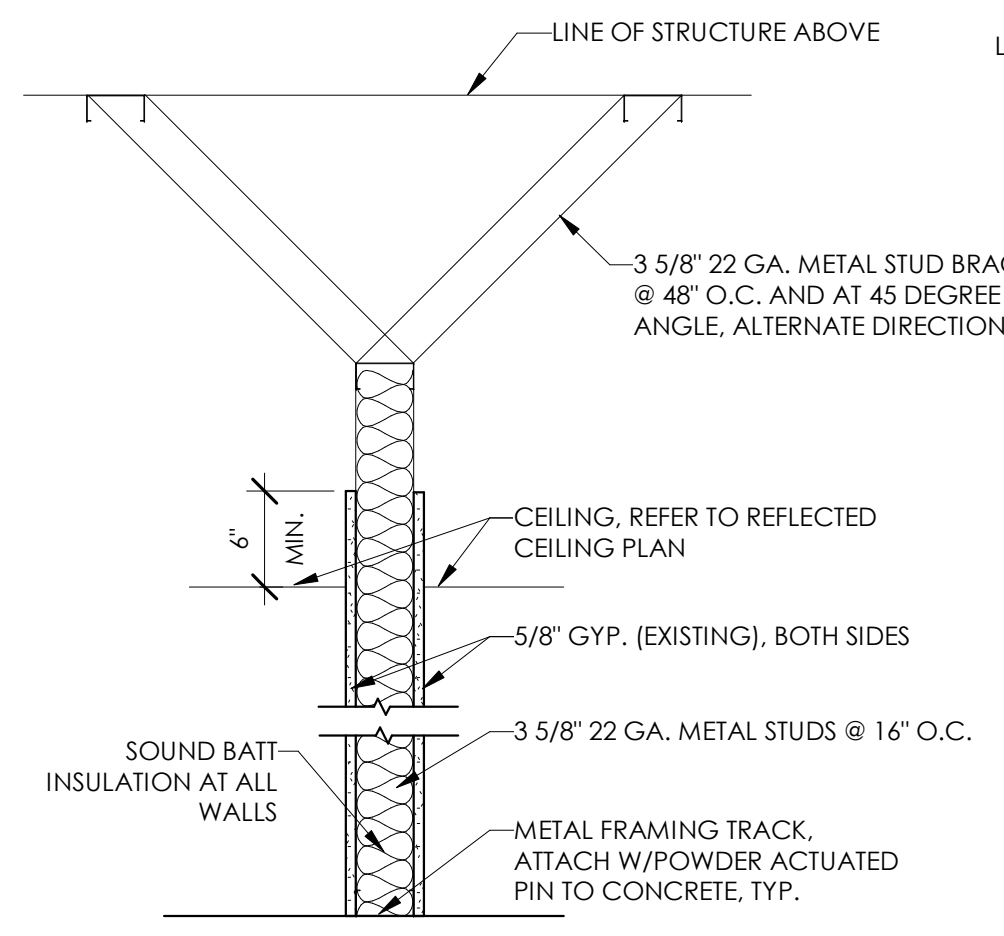

LOCATION: OGDEN, UTAH

The Contract Documents for the above project are amended as follows. These amendments shall become a part of the contract documents as described above. Information contained herein shall supersede previous information, and in case of a conflict between addenda items and the Contract Documents the addenda shall govern. All information in this Addendum shall be made part of the Contractor's bid.

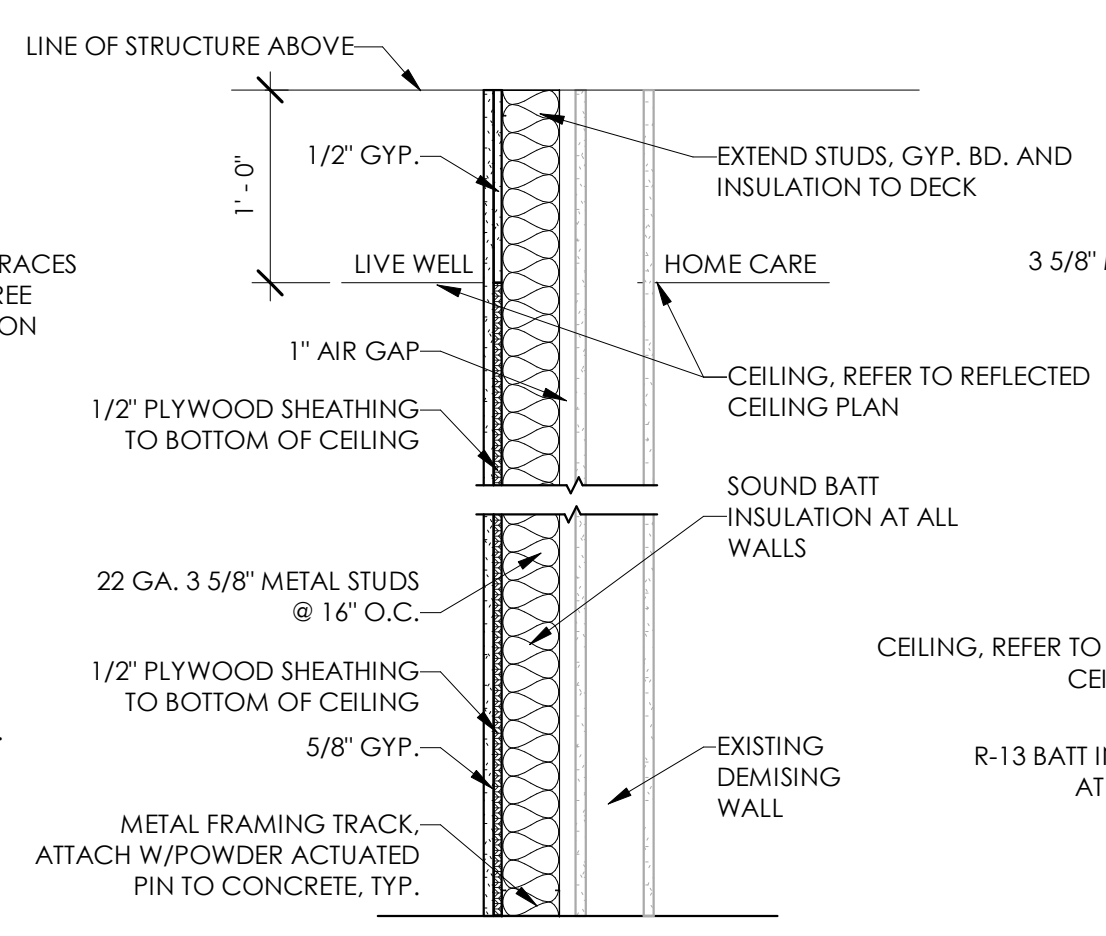

Items

1. A1-Sheet AE-101 shows two existing doors on the south side that are to be removed. These doors are to remain. Contractor is to remove the existing door latch and provide a blank cover for the existing hole. Contractor is to weld the door shut with three lengths of 1/8" x 4" steel plates spaced the same as the door hinges. Paint door and frame to match existing doors on this side of the building. Refer to attachment for door locations.
