This Addendum shall be considered part of the Contract Documents and Project Manual for the above mentioned project as though it had been issued at the same time and shall be incorporated integrally therewith. Where provisions of the following supplementary data differ from those of the original Contract Documents and Project Manual, the Addendum shall govern and take precedence.

general

- 2.1 The carpeting shown on the plans is existing and is to remain and to be protected in place. The owner will clean the carpets after the construction phase and determine then what carpet tiles need to be replaced. The only new carpeting is at the break room area.
- 2.2 The TV's shown on EJ102 are to be provided and installed by the owner. All associated cabling as well. Only the rough in and back box is required.
- 2.3 The cable tray in the project is to be provided and installed by the owner.
