

Brea Olinda High School FOOTBALL

Home of the Wildcats!

Dear Local Business Owner:

The Brea Olinda High School Football Program has had a long history and is entering its 94th year! Under the direction of Coach Robb Perrance, and his staff, these young men spend months preparing themselves for a glorious season. The Wildcats look to go further in this upcoming season, finishing as the North Hills League Champions in the abbreviated covid season. Our student-athletes know they can compete for a CIF Championship and beyond. We are so proud of the effort they have shown through these times and for their outstanding sportsmanship. With over 500 victories, 5 C.I.F. Championships, 6 C.I.F. Player of the Year Awards and 68 All C.I.F. Players, Brea Football needs your help to continue the success of our program.

This football program is mainly funded by local community businesses and Brea residents. Brea Olinda High School is the only high school in Brea and represents this community. The cost of running a successful program is immense and the school system is only able to give limited support. We are asking you to consider sponsoring the Brea Olinda High School Football Program for our 2021 Football Season by placing an ad in our Game Day Program, having an ad presence on our website, or purchasing a field banner to be displayed during the 2021 Wildcat football season. We are also offering, to one lucky business, the kick-off sponsorship, which will include a program ad, a banner and announcement at the beginning of each half to stand for the "{sponsors name} kickoff!" Information and pricing on all of our sponsorships will be provided.

Your tax-deductible donation will help our Brea Olinda Wildcats continue toward a successful 2021 season. On behalf of our entire team and our booster club, we appreciate and thank you for your support. Please contact us at bohsfootball@gmail.com with any questions or to discuss details regarding your sponsorship.

Sincerely,

Your Brea Olinda Wildcats
2021 BOHS Football Boosters
