

Empowering communities
across the world

Mission

To inspire hope, dignity and empowerment in communities across the world by providing sustained support to improve quality of life.

Vision

A world in which all communities have the resources, training, and infrastructure necessary to provide basic needs for their populace. By facilitating improved self-reliance, we will allow people everywhere to lead impassioned and rewarding lives.

What we do

- Construction projects
- Medical care
- Clean water
- Food and basic necessities
- Education for women and children
- Solar energy

Where we operate

- USA
- Lebanon
- Pakistan
- India
- Bangladesh
- Malawi

Women and children in classes

Pakistan

Our work in Pakistan centers mainly around providing basic needs for rural villagers.

- 75,000 meals
- 1,000 hygiene pads
- 310 borewells
- 350 sanitary restrooms

India

In India, we operate grammar schools for children and trade schools for women.

- 125,000 meals
- 200 children in school
- 200 women graduates from trade programs
- 5,000 collectibles in jewelry classes
- Female students keep all revenue

Bangladesh

Our team distributed basic needs to the Rohingya refugee camps of Cox's Bazar:

- 100,000 meals
- 1,000 hygiene pads
- 500 homes, 389 borewells
- 168 sanitary restrooms
- 100ft bridge to span seasonal river
- 550 women and children in schools

Malawi

Malawi is home to our most robust efforts.

- 185 homes
- 250,000 meals
- 600 hygiene pads
- 300 borewells
- 224 sanitary restrooms
- State-of-the-art Holistic Community Center
- 750 women and children in school

Malawi Community Center

In April 2019, we opened our Holistic Community Center in Tongozola, Mchinji District, Malawi. The new HCC serves over 10,000 people from 126 villages and has the following:

- Only clinic within 400km²
- Free pharmacy
- Orphanage
- Schools/computer classes for children/teens
- Sewing classes for women and victims of abuse
- Sports complex

Malawi Community Center

- Solar panels power more than 300 homes
- New computer lab for 90 students
- 15 laptop computers

Syrian Refugee Camps

In 2020 we began supporting Syrian refugees in Lebanon who fled their homes to escape civil war.

- 7.5 million Syrians displaced
- 5 million Syrians forced to flee country
- 500 children given clothes by Our AIM

Palestinian Refugee Camps

We've also recently begun to support Palestinian refugees in Lebanon.

- 5 million Palestinians displaced
- 1.5 million Palestinians in UN refugee camps
- 1,000 Our AIM meals for Palestinian refugees

COVID-19 Response

To meet the needs of our partner communities during the COVID-19 global pandemic, we've donated:

- 30,000+ masks to rural communities around the world
- 35,000+ masks to US front-line healthcare workers
- 75,000+ meals to struggling families
- Medical care for 30,000+ patients

UNICEF Partnership

We've teamed up with UNICEF to provide more than 15,000 sets of female hygiene products. Each set contains:

- 3 Medium reusable and washable pads
- 3 Large reusable and washable pads
- 2 sets of underwear
- 2 soap tablets
- 1 storage pouch

Where we're going

Our world-wide goals to reach by 2025:

- 1,250 borewells
- 1,000 sanitary restrooms
- 1,100 solar-powered homes
- 1,600 trade school graduates
- 1,400 homes
- 1,500 kids enrolled in schools
- 12 Holistic Community Centers in
Malawi/Pakistan

2025

What we need

Our fundraising goal:

\$1,000,000

by 2021

\$550,000 to go

\$450,000 raised

Why to give

Advantages of giving to Our AIM:

- 95% programmatic efficiency
- Small organization makes us agile
- Ability to see exactly where funds go
- Support local Florida philanthropy

Thanks!

Any questions?
