politics and do what's right for the  
community & its CEO's.

# Direct Input Exercise # 8

Dear Police Commissioners.....

First I'd like to start off by saying I know we're supposed to be on the same team, however it often feels like we're not. You guys are respected, I just wish you'd do what's right.

# Direct Input Exercise # 8

## Dear Police Commissioners.....

Learn more about the OSPD and its members.  
Each Commissioner should know all the officers names.

# Direct Input Exercise # 8

Dear Police Commissioners.....

THANK BEER SPEAKING!

# Direct Input Exercise # 8

Dear Police Commissioners.....

Your public support would greatly increase department morale. Seeing the fight every single month makes it seem as if the majority of you are completely against the employees of OSPD and have an agenda to make the job of law enforcement even harder instead of coming together for the benefit of the department and community.
