Dear Chief Spera:

In accordance with Public Act No. 22-119 ***An Act Concerning Accreditation Standards for Law Enforcement Units***, the Police Officer Standards and Training Accreditation Division completed a Tier II Accreditation file review of the Old Saybrook Police Department. This is written notification of the findings.

Attached is the assessment report, which includes a Tier II Accreditation Outcome Report. The Old Saybrook Police Department has met the POSTC State Accreditation standards for Tier II.

We congratulate your agency on achieving the Tier II accreditation status, pending approval of POST Council. We invite the Old Saybrook Police Department to join the next POST Council meeting, scheduled November 9, 2023, in person at the Police Officer Standards and Training Academy, that will serve as an exit meeting. The next phase in the accreditation process is to continue to write directives to meet Tier III standards. Our assessment team will return to your agency on October 31, 2024, for your scheduled Tier III onsite assessment.

On behalf of the Police Officer Standards and Training Division, we would like to thank all the members of the Old Saybrook Police Department for demonstrating professionalism and supporting the State of Connecticut's mission to achieve full accreditation status by 2026.

Respectfully,

Jessica Blank
