Quality Preschool Education for Children 3-4 Years Old

The Tinkling Spring Early Childhood Learning Center offers full-day and half-day educational programs in a nurturing Christian environment. Our dedicated and experienced staff use developmentally appropriate curriculum to help children build academic, social, emotional, physical, and communication skills. In addition to classroom instruction, we provide a variety of unique learning experiences including Chapel, Stretch-n-Grow, Bible, and Library. Our facilities also include an outdoor playground and access to indoor play equipment in our large social hall.
