September & October 2021 Newsletter

Pastor's Note –

As we reach into early Autumn, these months ahead are filled with new life and new ways to dedicate ourselves to Christ's call to practice being church together. It's in this time of year with the Spiritual Gifts season approaching that we look toward dedicating ourselves anew to the work and worship of this family of faith we call Tinkling Spring Presbyterian.

Much about this last year and a half has felt like interruption. Since March of 2020 our daily patterns and habits changed, we had to get used to a new normal that none of us had chosen. With children learning and parents working from home, trading in in-person gatherings for Zoom meetings, we've all been knocked out of our routines.

Your staff at Tinkling Spring have had countless conversations about what it takes to lead a congregation from afar. Even as we asked ourselves that question, we were having conversations in anticipation of the time we're in now. What challenges are ahead of us when the pandemic dust begins to settle and there's a return to some version of a new normal? After all, attending church from home in pajamas with a warm cup of coffee in hand is a cozy way to spend a Sunday morning. I figured that out myself!

The author of the New Testament book of Hebrews wrote, "Let us hold unswervingly to the hope we profess, for he who promised is faithful. And let us consider how we may spur one another on toward love and good deeds, not giving up meeting together, as some are in the habit of doing, but encouraging one another."

Church is life in company with God and one another. Our Christ-centered faith is done in community—it's never "I," the first-person singular; it's always "we," the first-person plural. This Spiritual Gifts season we will focus upon the miracles of Jesus with the theme, "Jesus's Hands. Our Hands." Each Sunday in October, we will look at a different miracle story from the Gospels, asking how as a Christ-centered community we are being invited to extend healing to those near to us.

In Jesus's time, those with an affliction were deemed unclean and were cast out of their villages and away from their loved ones lest they contaminate them. Most of the Gospels' miracle stories involve Jesus reaching out to cure the one who suffered, but *all* of them include healing. Curing involves the recovery of the body; healing involves the recovery of relationships. Jesus's idea of healing always included the sick one being restored to their own communities, to their families, their homes, neighborhoods, to life with others.

Healing brings us back to community; being restored to community brings us healing. I hope to see you soon.

In Christ's healing love,
Pastor Patrick

FROM THE CONGREGATION

The Mission Ministry Team would like to thank Henry Wood, Lowrie Tucker and Harrison Moyers for their dedication and hard work on the Summerlee Mission Project. Their efforts will allow the homeowners a more comfortable and safer home life. Praise be to God.

The supplies for our Operation Christmas Child mission have arrived. Distribution of the shoebox supplies will begin in late September. The following dates will give you targets for completing your shoebox gifts:

1. Deliver your boxes to the sanctuary from November 7-14.
2. We will dedicate our gifts during worship on November 14.

If you want to pick up supplies early, contact Becky Williams (487-5162) or Ramona Bosserman (886-4737).

Genesis 1:1 “In the beginning, God created the heavens and the earth.”

We all know the song “He’s Got the Whole World in his Hands.” The verses include you and me, brother, sister, the tiny little baby, and the whole wide world. God made it all.

This year our Spiritual Gifts Ministry will be focusing on the talent portion of the “time, talent, and treasure” aspects of our stewardship campaign. More specifically, what can each of us do with our God-given talents to further the mission of our church to serve God together?

God has given each of us certain talents, and He challenges us to use and grow them to bring others to Christ. Some members have musical talents; others are good at organizing; still others are great at teaching or being a good friend to others. All of our talents are important. This year, we would like to focus on what our members do and can do artistically with their hands.

The Spiritual Gifts season begins on Sunday, October 10th and culminates on Dedication Sunday, November 7th with a Tinkling Spring Art Show after worship in Spring Hall. In preparation for the Art Show we invite all TSPC members of any age to share the works of their hands in the areas of painting, woodworking, pottery, weaving, knitting, or any other handicraft that day. We envision a showing of items made by our members and a time to share those interests with one another. Items do not need to have a religious or Biblical theme; they just need to be made by hand. If you would like to participate in this event, please contact a member of the Spiritual Gifts Ministry Team. This is not a contest; items will not be judged, and no prizes will be awarded. Everyone who is willing to show their items, and everyone who comes to look at them, will be a winner! More details, including a way to sign up for a spot, will be provided as we leave the summer months behind and head into the fall season.

Blessings,

The Spiritual Gifts Ministry Team: Alan Biskey, Randy Houff, and Shirley Woytach

Congratulations

Our best wishes and blessings to Dylan as he serves our country in the Marines. No contact information for Dylan is available at this time.

A Note from Chance Snell

When I was younger, I always thirsted for a place to be. I didn't always fit in at school, and didn't ever play sports, but I was able to find my place here at Tinkling Spring. For that, for giving me a place where I belonged and was able to know the love of God, I will be forever grateful. And I have been eternally thankful for the opportunity this summer, short though it may have been, to continue to learn and grow with this community, and to be able to give back to it in whatever ways I am able.

I have loved working and laughing with John in the work we've done with the amazing youth of this church. I have loved learning and growing in my faith journey in my meetings with Patrick, as well as understanding better the ins-and-outs of worship. I have loved returning to the fellowship of the softball field and trying my best to avoid being injured as I inch closer and closer to retirement. And I have loved once again just getting to spend time in the presence of this beautiful part of the world and the protection of these mountains which represent home to me.

I have been going through a number of changes over the last few years, and through that process I have been thinking a lot on what to do as one moves through life. There are needed changes that must come when we are called to the growth God requires of us. But I have been terrified, at points, of leaping into that change, for fear of what it might cost. So, my favorite part of this experience has been coming to the realization that there are parts of my life which will always be there, forever unchanged regardless of other circumstances. And I think that Tinkling Spring Presbyterian Church will forever feel like a second home to me no matter what else changes in my life. A place for me to learn and grow and feel safe.

I have learned a lot in a short amount of time this summer, how to get youth to paint a room and still have fun, how to plan and execute a worship service, how to make someone feel seen and heard when they've just lost a loved one, and many other things. But as I have gotten older, I have realized that the more you learn, the more you find you actually don't know. This church has taught me a lot, both in this internship as well as before, and I look forward to the many more lessons that I will learn with you all in the future.

The TSPC nursery will reopen on September 12, Genesis Sunday for all children younger than age 5, during Sunday school from 9:00 a.m. – 9:45 a.m. and during worship from 10:00 a.m.-11:00 a.m.

Have you ever wondered what to do with the messages you hear in worship? Join Pastor Patrick as we engage in conversation with the previous month’s scripture passages and sermons—reflecting upon them, engaging in conversation about them, and dialoguing with them, all in an effort be in communication with God about them. Join us on the following Mondays at 10:00 a.m. in the Fellowship Hall:

2021: October 11, November 8, November 22, and December 20.
 2022: January 17, February 28, March 21, April 11, May 9, and June 6.

Every Wednesday from 2:00-4:00 p.m., beginning on September 15th, you are invited to spend slow and quiet time in prayer and reflection in the sanctuary. Pastor Patrick will be in the sanctuary for these two hours to hold quite space with you or to attend to your spirit. These Wednesday hours will provide unstructured space and time for you to keep company with God.

Teaching Children Worship in the Sanctuary

Sundays, September 19 - December 19

During worship on Genesis Sunday, September 12, we will resume calling forward children for the Children's Time. The following Sunday we'll begin talking about the purpose and practice of each part of worship during the Children's Time and this time will occur just before the act of worship we will learn about that day. Children ages 4 years through first grade will have the opportunity to learn more about the act of worship through a lesson each week outside of the sanctuary, from September 19 through December 19. Following the lesson they will return to their families in worship. An activity sheet to be used in worship will be provided during the Children's Time for those in second grade and older.

In addition to learning about worship in the sanctuary, families with children will find the following worship tools available:

- **Children's Bulletin** at each sanctuary entrance.
- A **Welcome to Worship Card** in the pew racks that provides helpful information and guidance for your family and the congregation.
- **Pew Cards** in the pew racks with images of worship items in the sanctuary, along with descriptions of how each item is used.

Please contact Harriet Thompson if you have any questions, dce@tinklinspring.com.

YOUTH & YOUNG ADULT MINISTRY

The Grace and Peace of our Lord Jesus Christ be with you all!

As we recently went back into classrooms, returned to normal routines, and (if you're anything like me!) put on real shoes for the first time in months, we began to prepare for the crisp mornings and brilliant color changes in nature this time of year. God is good all the time, but He really knows how to show off in the Fall!

While your summer melted away too quickly, I was working on planning out the program year ahead for Youth and Young Adult Ministry. Packets with information for each of these groups, including complete program-year calendars, information, and registration forms (for youth) are available at each of the entrances to the sanctuary or by request. Some highlights in September/October for our **Young Adults** include a new **Sunday school** class (9:00 a.m Sundays, Chill Room), monthly **Happy Hour** gatherings, and **Breakfast Fellowship** opportunities. Our **Youth Groups** have their own list of exciting activities, in addition to resuming Sunday School, including **mission and service projects**, off campus events (**apple picking!**), and regular Middle and High School (separate) **Youth Group meetings**.

Behind, and beyond, all of the planning and preparing that went into crafting a year of activities and fellowship opportunities, learning and spiritual development, there was a heart of prayer. My prayer for our young people this year (and every year!) is that they grow to know Christ better, they learn to

rest in the Spirit of Christ and lay down their burdens to Him, and that they continue to seek ways to respond to God's grace toward them in service toward others. Please join me in this prayer as we launch what promises to be a TERRIFIC program year at our **Youth Kickoff Cookout, Sunday, September 12, 2021, 5:00 - 7:30 p.m. at the TSPC Pavilion (current 6-12 graders and families invited).**

Please RSVP by email (dyyam@tinklingspring.com) if you plan to come, and let me know how many from your family will be joining us!

In Christ,

John M. Dull
Director, Youth and Young Adult Ministry
