

# TAKE BACK TEXAS SCHOOLS

Join the movement to protect  
*Children, Parental Rights*  
& *Conservative Values*  
in Education

**Urgent! Put parents in the drivers seat.**

Texas Education 911 is a movement initiated by concerned parents and citizens, all across Texas, to URGENTLY fix Texas Public Schools through legislation to protect children, parental rights, and conservative values.

**IF YOU AGREE.....WE NEED YOU!**

Parents must be recognized as the primary and final authority in all matters.  
School districts that violate the law or parental rights must have consequences.

Collecting data and making money off of our children must be illegal.

Teachers must be focused on the basics of reading, writing, math and science.

Classrooms must be safe for teachers.

**NO MORE SEXUALIZATION, INDOCTRINATION, OR SURVEYS**

**Texas Education 911 Rally!**

ATTEND - Show Texas legislators we MUST fix education NOW!

LEARN - what is happening in public schools (big and small) &  
who is making money off of your children

ACT - How the every day person can make a difference with small steps

**“The only thing necessary for the triumph of evil is for good men to do nothing.”**

There are thousands of good men and women across the state of Texas fighting for the children of Texas! We are determined that evil will not triumph in our schools....JOIN US!!
