Seasonal Flu Vaccine Clinics Scheduled at QP Version 2

Seasonal flu vaccination is a priority this year

Please note: This is NOT the Covid 19 vaccine nor the Covid 19 booster. QP Medical will NOT be administering Covid vaccinations.

Quonset Point is receiving some of its allotment of seasonal flu vaccines for this year. No shortage is expected this year, so all employees are encouraged to get the seasonal flu vaccine. Below is a tentative schedule, which may change based on vaccine availability. Vaccines will be dispensed on a first-come, first-served basis.

Employees MUST attend on their own time.

Dr. Susan Andrews recommends all employees receive the flu vaccine. The following groups should check with their physician before taking the vaccine: severe life threatening allergies to vaccines or eggs; previous Guillain-Barre Syndrome or you are currently moderately or severely ill. **DO NOT** get the shot if you are allergic to eggs or have had a serious reaction to a previous flu shot or you are ill and have a fever.
