HOW HAVE YOU ADAPTED?

Hey {recipient_name},

It's been 4 months since the National Restaurant Association Show, so we wanted to check in and see how {business_name} is doing. Have you made any changes to your operations? Found a solution for labor?

If not, look no further. GRUBBRR is so confident in our self-ordering kiosk solution that we are offering a **FREE** pilot program to all interested restaurants.

18.5% AVERAGE TICKET SIZE INCREASED BY

At BurgerFi, the Samsung Kiosk powered by GRUBBRR has demonstrated an immediate return on investment and increased average ticket size by 18.5%. Not to mention customers love it! You can read more about the success of our kiosks in our [BurgerFi Case Study](#).
