

## **March Minutes**

**Attendance:** Sr Ursula, Guard Neil, Sr Stella, Sr Gardenia, Sr Peaches, Br Lavish, Aspirant Blythe

**Treasurer's report:** Starting balance at the beginning of February is \$440.55. We have spent \$81.67 for food, \$275 incorporation/501(3)k application  
Received \$61 in cash donations  
\$78.94 in the bank

### **Old business:**

Amendments to the PnP - postulant projects should be observations on our manifestations. We have removed the "lips" feature during postulant and it will instead be represented by a symbolic pin. During postulancy, a sister will be gifted veil, pillbox, and bib (white). Brother/guards have been added to "naked sister" rules. Clarification added to Ethics/Etiquette. Added to ministry and presence - guidelines about cell phone usage during manifestations and photographs taken. Added "Take the Stage!" - clarification about making a spectacle

Mx Dad Bod Contest: Brad at Boomerang would like to collaborate with us on this event. Ken does not recommend an entry fee. Get at least 3-4 contestants and go from there (cap contestants at 10). Perhaps a small cover with the ability to purchase votes. We have an MC in mind. It would be the third Friday in June (6/19). The proceeds would go to the Center or for meals at the Center. We could make t-shirts. We could work with Positive Directions to offer free testing on site. Categories: Fantasy, Formal, Best/Worst Dad Joke

Created a Facebook group for manifestations/planning events (keep in mind that Guard Neil will always be marked "going" but this is not always true)

### **New business:**

Blythe and Caddy are planning a high protocol dinner and they have requested our presence with a coat check and confessional. Proceeds from coat check would go to the House. This would most likely be on a weekend in May.

Sr Gardenia would like to manifest after her graduation in May.
