

Novice Project “Self Love” buttons February 2018 – On going

Nv Guard Neil Enbob had come up with a wonderful idea for Valentine’s Day. A 1” button that has the “self love” design on it. There are 2 different “self love” design; one is a hand around a penis in the shape of a heart, the other is a hand with fingers entering a vagina in the shape of a heart. These are a HUGE hit. Everyone who gets one loves them. We have made approximately 500-800 button and every one of our members carries them with them to hand out. We first showed these at a drag event fundraiser for “Special-needs Athlete Youth”. In just over an hour we raised \$48 which we donated to the event.
