

Novice Project Fundraising Auction for Gaea Retreat September 2019

Nv Sister Stella Asstra (with 2 s's) had approached Sister Clara Cumpassionata of MOPI about helping with the fundraising auction held during Laid Back Labor Day 2019 at The Gaea Retreat, near Tonganoxie, KS. Sister Clara said the help would be appreciated and Nv Sister Stella coordinated the other members of the ECS. Every Year, for the past 25 years, Sister Clara has presided over the LBLD Auction Fundraiser. It was The Emerald City Sisters' job to show items up for auction and deliver them to the winning bidder. And to provide some comic relief. This year the Auction raised over \$22,000.00 for a much needed new septic system. The Emerald City Sisters members to help at the Auction were; Nv Sister Stella Asstra (with 2 s's), Nv Guard Neil Enbob, and Nv Sister Ursula Morecock.
