

Novice Project Kansas City Pride Road Trip June 1, 2019

Nv Sister Hellina Handbag was instrumental in setting up a road trip for The Emerald City Sister to join the City of Fountain Sister to attend the Kansas City Pride event. It was a whirlwind road trip. Nv Sisiter Hellina, Nv Sister Stella, and Nv Sister Ursula all piled into Nv Guard Neil's car and were whisked off to KC. This was the first Pride event The Emerald City Sisters had been to.
