

Novice Project Paint the Towne June 26, 2019

Nv Sister Hellina Handbag took the lead to set up a "Paint the Towne with the Sisters" event as a fundraiser for the Wichita AIDS Walk. Paint the Towne is a group event where there is an instructor who shows everyone how to paint the picture of the day. There is also wine and mixed drinks, so it is rather festive. The Night of the event, Nv Sister Hellina Handbag and Nv Sister Ursula Morecock painted along with about 35 others who came specifically to meet the sisters. This fundraiser brought in \$485.00 that was later donated to the AIDS Walk in July 2019.

Where: Paint the Towne, 8037 E Peachtree Lane

When: Wednesday June 26th at 7:00pm.

Please arrive 10 to 15 minutes early

This is a fundraising event for the Emerald City Sisters, a Mission House of the Sisters of Perpetual Indulgence. All proceeds will go to the Wichita AIDS Walk.
