

SILBURY COURT

CASE STUDY

 Silbury Court, Milton Keynes

THE PROJECT

The development 154 luxury apartments across 2 connecting buildings and 6 storeys in the heart of Milton Keynes.

OUR SCOPE

The design, supply & installation of windows, doors & associated products.

KEY NOTES

Given the size of the units, particular focus needed to be placed on detailed calculations for barrier loading and wind loading.

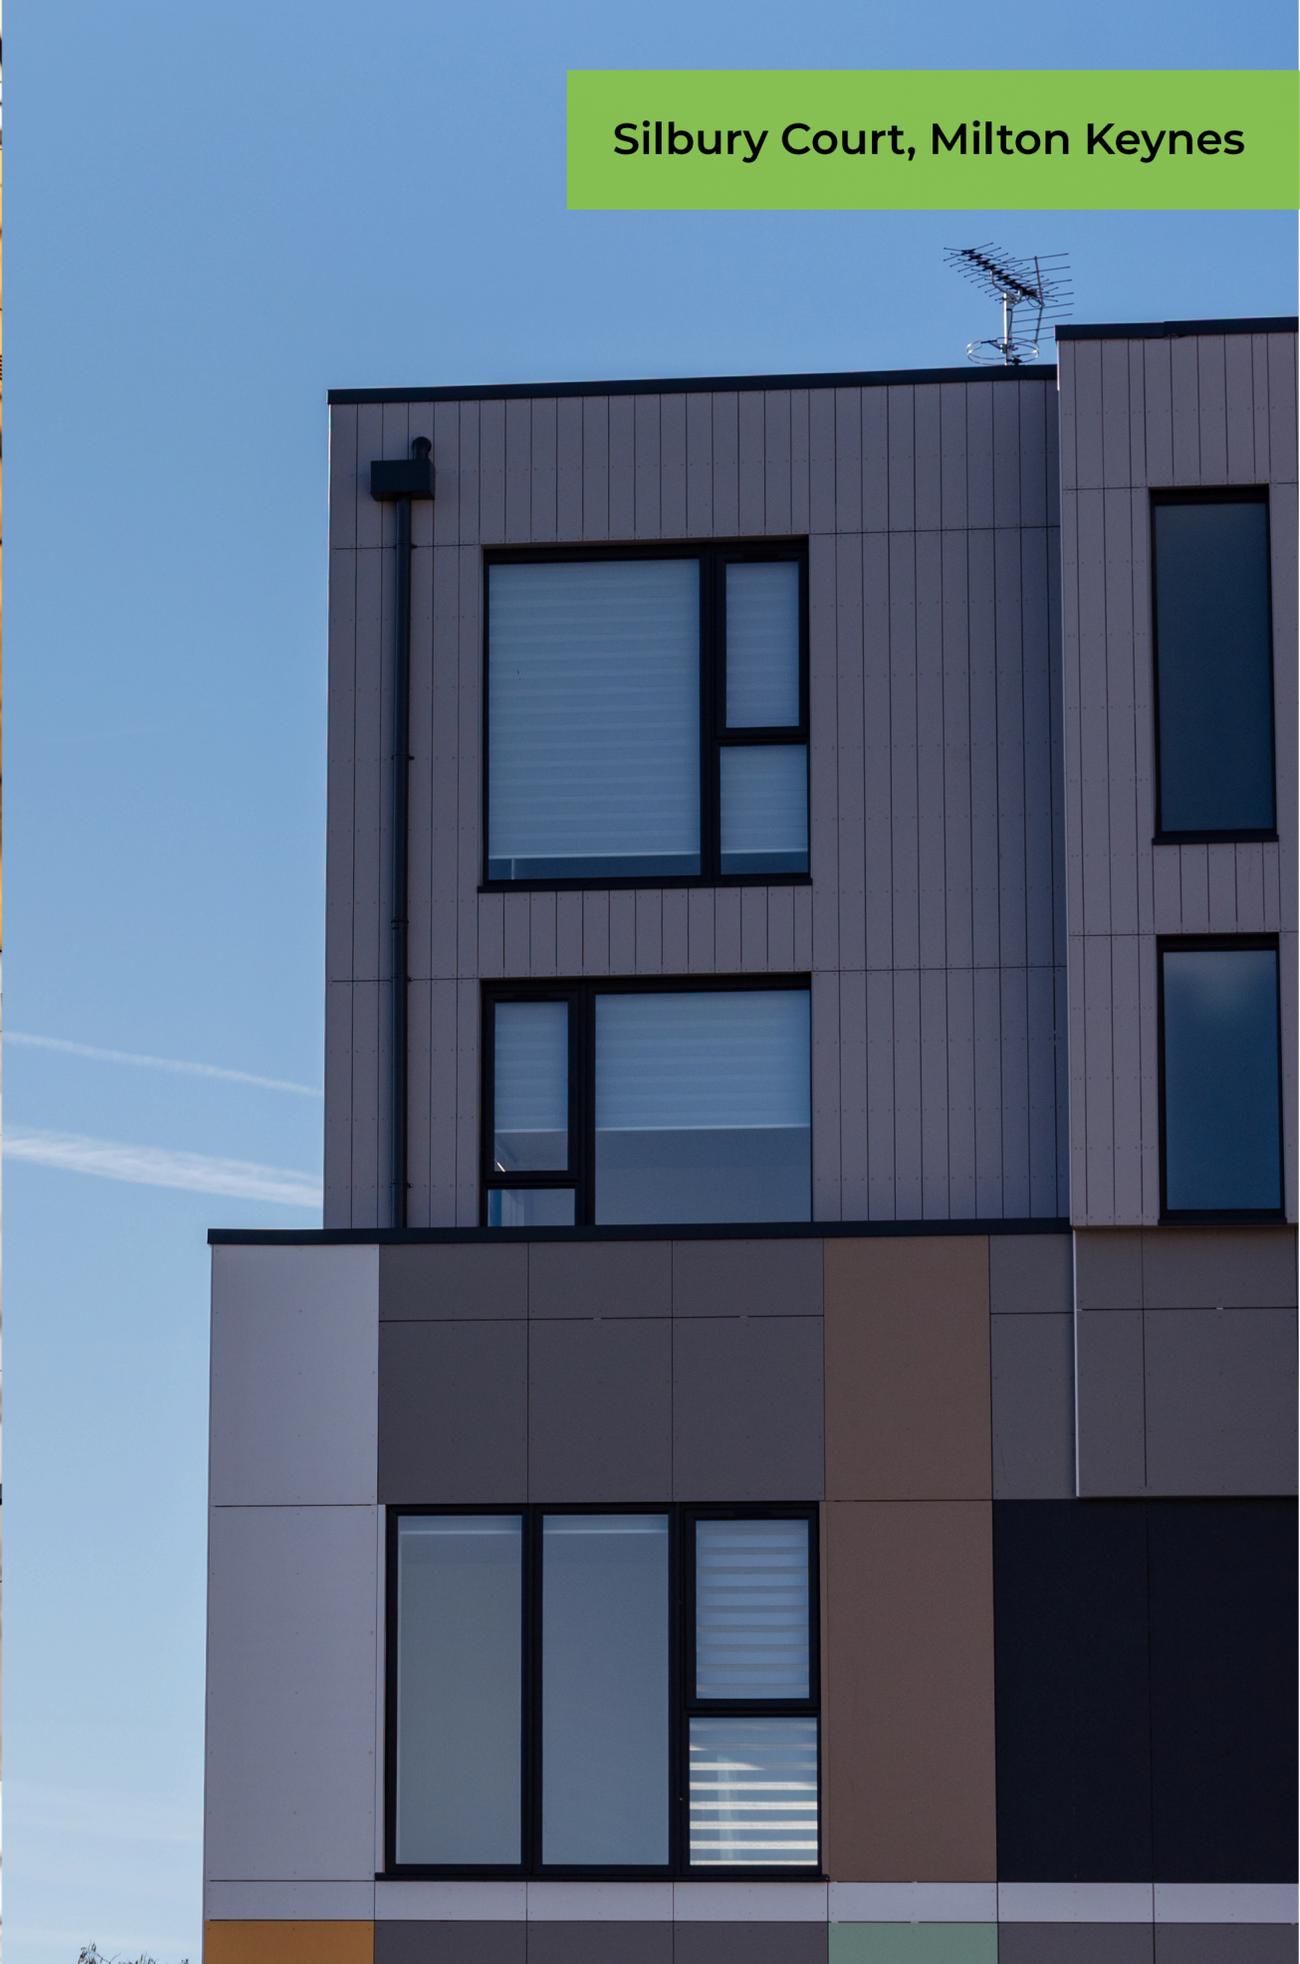

OUR SOLUTION

- 105nr Rehau TOTAL70 doors with side screens
- 2,300m² of Veka Matrix70 windows
- 105nr integrated glass Juliet balconies
- 2,600 linear metres of EPDM
- AluK thermally broken communal entrance doors & screens
- Bespoke steel support brackets to allow the windows to sit proud of the structure and accommodate cladding

THE RESULT

Completed within a 27 week timeline, the glazing package provides verified results for occupants. The frames deliver high energy efficiency alongside essential noise mitigation and PAS24 security. A key feature of the project is the inclusion of Juliet balconies designed to maximise views of Fred Roche Gardens.
