

The CRUISE of the "ALERTE:" the Narrative of a Search for Treasure on the Desert Island of Trinidad. By E. F. KNIGHT, Author of "The Cruise of the 'Falcon.'" With Two Maps and Twenty-three Illustrations. Crown 8vo., 10s. 6d.

"The Cruise of the 'Alerte'" is as delightful a narrative of search for secreted wealth as is Mr. R. L. Stevenson's 'Treasure Island' itself.—*Home News*.

"The only result of the treasure hunt is an entertaining and manly book, which leaves the impression that, as in life at large, the quest after is better than the discovery of precious things."—*Saturday Review*.
