EARDENSOHN MINISTRY

MATHARE MINISTRY

It is a joy to partner with this ministry serving in the slums of Mathare. We have been able to share the gospel and bring others to saving acceptance of Christ. We

have been able to provide food and clothing all while equipping leaders in this community to faithfully serve others in this challenging environment .

TEACHING OPPORTUNITIES IN KENYA, TANZANIA & UGANDA

Through equipping and encouraging pastors even across denominational boundaries we are seeing God move to unite passionate believers and congregations to carry the truth of the gospel deeper into remote communities throughout East Africa. Pray for these churches and their pastors as they grow in knowledge and understanding of God's word.

Pray that they will see the urgency of telling others about Jesus!

CONFERENCES

Each year, we host large training events for Sunday school teachers and leaders who thirst for knowledge and strategies. Sunday school classes can sometimes be over 100 kids with one teacher.

Leah taught a seminar on classroom management and provided tools & strategies to better engage kids in these settings.

Paul led the worship service with around 800 church leaders gathered together. It was powerful to see God's servants come together and seek to be equipped and renewed for ongoing service!

Pray that we can continue equipping others to seek and serve the Lord in their communities!

INTERNATIONAL CHRISTIAN FELLOWSHIP

Paul remains on the pastoral team at ICF, a body of believers from 30+ nations around the world. The church continues to grow and prosper as we grow in knowledge and follow in obedience as the Holy Spirit leads us.

Pray for our congregation as minister all over Nairobi through prison ministry, clothing/food distributions as well as leading seminars and trainings for leaders around Kenya!

BUSINESS AS MISSION

Business as mission provides a unique opportunity to spread the gospel. Paul is able to use his experience and gifts to support business planning for those who feel called to use a business to spread the gospel. They are able to create clear, actionable business plans to ensure long-term success all while spreading the gospel to their employees and customers day in and day out. This tented camp near Amboseli National Park, is one such place.

Please pray that these partnerships continue and that people come to faith through them!

ROSSLYN ACADEMY

Rosslyn Academy continues to be an important part of our ministry serving nearly 700 students from 54 countries. Leah stepped in as an interim principal this last year. She trained and equipped teachers both academically and spiritually so they can better serve families that God has brought to Rosslyn. Discipleship groups are growing rapidly within the school reaching 40% of the student body on a weekly basis.

Pray for our teachers as they have a unique opportunity to reach kids with the gospel. We can definitely see God at work through Rosslyn Academy!

OUR FAMILY

Thank you for your prayers for our ministry and family. Our family is blessed to have served in Kenya for 5 years now. Ministry opportunities to continue to grow, allowing us to impact countless lives through the gospel. It is amazing to see His work grow each and every year!

In November and December, we had a significant health scare for Ethan, resulting in two surgeries and 25 days in a hospital. Leah's mom moved into a full-time memory care facility in January. Paul's dad was hospitalized with pulmonary hypertension. Paul's uncle passed away from a sudden heart attack and his Aunt followed only 30 days later. They are free from pain and with their Savior, which is a blessing. We have thrived in ministry, but it has been a challenging time for our family.

SPECIFIC PERSONAL NEEDS!

We always seek to be led by the Holy Spirit and to honor the Lord in all we do. This past year has been especially challenging and we have unfortunately had to make several trips stateside for funerals and to care for aging family members. We never know the time we have left and this is one of the greatest challenges living across the world.

Please pray for us as we navigate these challenges going forward. It is our desire to remain on the field where the Lord has called us. At the same time, we desire to spend as much time as we can with our loved ones periodically or when needed.

Financially, we would graciously ask for your help to establish an emergency travel fund as we have depleted our personal savings and this has created a huge amount of stress on us. Our hope is that we won't need it and can simply just funnel it straight back into ministry. But, having funds set aside would certainly give us peace of mind as we carry on in ministry.

Would you consider helping us with this need?
