

AP Essay Prompt Scoring Conversion

The following is a rough guideline for converting your AP Essay Prompt to a score for our class purposes. If your essays falls between AP scores, i.e. a 6+ for instance, you could earn more or less points. In this example, a 6+ might earn a 41 instead of a 40, for instance. An essay on the edge of the rubrics would score a 6+/7- 41.5 for example.

9=50

8=47

7=43

6=40

5=37

4=33

3=30

2=15
