WEEK OF _____

P E R S O N A L

It's me, oh Lord, standing in the need of prayer.

C L A S S

You placed these students in my room for a reason. God, show up every single day for them.

Lord, I am calling on you and laying these students at your feet:

_____	_____

This is the confidence we have in approaching God:
that if we ask anything according to his will, he hears us.

God, I need your help. It's really important that my students understand academic concepts. Make my lessons focused, effective and give me instructional strategies to reach my students concerning these standards:

C O W O R K E R S

Father, I want to lift up my fellow teachers and coworkers who need you right now.

These people have been trusted to lead my school and I trust you to move in their lives.

God, I thank you for the joy teaching brings me; however, I cannot turn a blind eye to the issues in education that need your touch. Disrupt and dismantle systems, assumptions and mindsets that don't serve our students. Create and restore curriculum, policies and paths that bring about positive educational change.

*A*nd if we know that he hears us—whatever we ask—
we know that we have what we asked of him.
