

TAILORED SOLUTIONS + ACCELERATED SUSTAINABILITY

Atkins Powerhouse Consulting is a provider of niche consulting services aimed at helping you build your internal capabilities to generate funding, create quick wins, overcome barriers and anchor sustainable practices into your culture.

OUR MISSION

To increase equity through growing the number of sustainable organizations, increasing access to funding and quality education for organizations that explicitly serve marginalized communities.

OUR DIFFERENTIATORS

We believe in...

- integrating funding generating practices that are predictable and valuable.
- developing life-long learners.
- Cultivating the courage to challenge the status quo to create real impact.
