2025 HURRICANE READINESS

April 18, 2025

Dear Homeowners:

The Villas Of Lake Arbor Board Of Directors would like us ALL to be ready should a tropical storm or a hurricane come our way. For this to be the case, please have a plan in place for you and your family. You can do so by going online to The Pinellas County Hurricane Guide website at <https://pinellas.gov/make-a-plan/hurricane-guide-english/>.

Plan & Prepare:

While living in and visiting Florida offers many benefits and advantages, it is important to keep in mind severe weather hazards and potential threats. Every family and business should have predefined emergency plans and always keep an emergency supply kit ready and stocked.

Each Florida county has a designated emergency management program, and residents, businesses, and visitors should also visit their county's emergency management for the most up-to-date and locally significant information.

Basic Emergency Supplies:

For a full detailed checklist of what you may need to help you be ready, please read the checklist printed on the backside of this page.

Sincerely,

F Timothy Adams
President, VOLA HOA
