IF YOU WITNESS A SUDDEN COLLAPSE OR FIND A PERSON WHO IS UNRESPONSIVE OR NOT BREATHING PLEASE FOLLOW THIS PLAN AS OUTLINED BY THE FA AND ST JOHNS AMBULANCE.

Stay calm, be clear.

Get somebody to call an ambulance, use the information in this Emergency Action Plan above and the script over the page.

Check the following with the casualty;

- Airway - are there any blockages, including the tongue
- Breathing - is the casualty breathing?
- Circulation - has the casualty got a pulse?

If there is no sign of life, send someone to collect the defibrillator.

Get someone to assist you, tell them you're in charge.

Tell somebody to go to the entrance to the pitch from the main road to direct the ambulance.

PLEASE TURN OVER FOR AMBULANCE SCRIPT

FFF RECREATIONAL FOOTBALL EMERGENCY ACTION PLAN

WHEN CALLING 999 SPEAK CLEARLY AND CALMLY AND TELL THEM THE FOLLOWING;
