<p>What fees will I pay?</p>	<p>You will pay a fee based on the assets under our management, billed quarterly in advance. The more assets we manage in your account, the more you will pay in fees. HCM has an incentive to encourage you to increase the assets under our management, which may be viewed as a conflict of interest.</p> <p>HCM is not a custodian of assets. HCM can work with any custodian, however, a majority of clients choose to custody their assets with Charles Schwab & Co. Please be aware custodians will have differences in fees and costs.</p> <p>You will pay fees and costs whether you make or lose money on your investments. Fees and costs will reduce any amount of money you make on your investments over time.
