## *Message from Kaye's Korner*

I want to begin my message with some additional information regarding new membership recruitment. If you remember from my message in last month's Wings, none of the retiree clubs in the Phoenix area receives the current retiree's list from Honeywell. And considering that our current membership is getting older, your Steering Committee is contemplating a name change for our club. When we attend various 'fairs' at the Honeywell plants trying to recruit new members, we receive blank stares from those persons we are talking to. Reason - Sperry has not been around for the past 30 years and not everyone knows the history behind the Sperry/Honeywell merger. With that being said, the committee is thinking about the following possible name for our club:

- **Aero Activities Club**

Please consider a name change and let either me or any of the other Steering Committee members your thoughts. Plus, one of you may have another idea which would be great! Therefore, let's hear from you - everyone's input is very important!

We want to thank everyone who attended our Kick-off Luncheon on September 20th. There were 58 members/friends/spouses that renewed old friendships, caught up on the latest news and 10 attendees walked away winners with Sperry memorabilia and money. Those lucky winners' names can be found on page 5 of this month's Wings.

Our Christmas dinner/dance planning is well underway. Like last year's event we cannot reserve tables for attendees, so if you have a group that wants to sit together, be sure someone arrives early to 'select' your table. We will have several gift cards as door prizes as well as the 25/25/25/25 - yes, you read that correct - 25/25/25/25 cash drawing.

The committee decided to change things up a bit and have three lucky persons walk away with 25% of the total money collected that evening. So, be sure to bring your 'lucky' dollars and pick up and raffle or two from Judy Wilger at the dinner. Also, make sure you read Joyce's article on page 10 of this month's newsletter.

Dues are payable by December 31, 2018. If your money is due by year-end, the board hopes you will send in your check by December 15<sup>th</sup>, so way we can update our files and you won't have an interruption in receiving the Wings newsletter.

In closing your board hopes everyone has a great rest of the month.

## *Giving Back for U.S. Vets; with Honeywell & RTVOS*

*The Sperry and Garrett clubs are invited to participate as well.*

November 10, 2018

**Sign up Deadline is October 20!**

Our community service project this year will be working for U.S. Vets, an organization that supports homeless military veterans. As we did last year, we will be joining Honeywell Aerospace and Rebuilding Together Valley of the Sun (RTVOS), a charitable organization based in Tempe.

This is a great opportunity for all our retiree clubs to support those in need in the Valley, while spending quality time with other retirees and active employees.

You may also bring along family members aged 14 or more to work on this project. Our project last year had 90 volunteers, including current employees and retirees.

The project this year will be at Grand Veterans, 3400 NW Grand Ave. Phoenix, where U.S. Vets provides temporary and permanent housing for homeless veterans. There will be a variety of work, primarily outdoors, upgrading the outdoor community space. Individual projects will include things like removing a playground area, adding a patio area, building benches and pergolas, installing BBQs, landscaping, possible fencing for a dog run, possible meditation "space." We expect to be working from 8:00 to 1:00. Lunch will be provided. Be prepared to have a great time providing a service to the valley, and working together with current Honeywell employees and retirees.

Contact Doug Metzger at [doug.metzger@cox.net](mailto:doug.metzger@cox.net) or 602-319-6637 to sign up, or if you have any questions.

**The deadline for signing up is Saturday, October 20.**

# *Tovrea Castle*

Friday January 11, 2019 (**Only 3 tickets left**)

The Sperry Club has purchased 24 additional tickets and allocated them to the people on the waiting list. That leaves 13 tickets available. Please note that the tickets in the past have all be allocated in days or weeks so procrastinators will miss out just like shopping in Costco. The Society has increased the price to \$20 and the club is adding \$2 per ticket for expenses for a total of \$22 each.

This is a private tour for Sperry, Honeywell and Garrett clubs. Tours are approximately 2 hours and include the historic Castle's main floor and basement, extensive grounds and cactus gardens surrounding the Castle. Most of the tour is outside riding a tram so dress warm. The tour starts at 10 am and the grounds are cool. The tour is wheel chair accessible but no electric scooters are allowed. There are seats inside the building to rest so it is not a strenuous tour.

Guests are greeted by Tovrea Carraro Society volunteers at the Visitor Center and taken through the Carraro Cactus Gardens on a tram with a docent. The tour winds through the beautiful 44 acres, viewing the outer buildings, before arriving at Tovrea Castle.

The club would like to thank Tamera Zivic, Tovrea Carraro Society President for working with me and allowing special group tours to fit our schedule.

If interested send the following to [keith8411@cox.net](mailto:keith8411@cox.net)

Your name, number of tickets, club affiliation and phone number:

If all tickets are sold, I will create a new waiting list, if we have enough interest. I will then be able to purchase more tickets for Nov. 2019.

# Honeywell Clubs Fix-It Guys Program

*Sponsored by Honeywell, Garrett and Sperry Retiree Clubs*

We help Honeywell retirees or surviving spouses with fix-it jobs around the house. This program is designed to keep the job from being a budget buster for you. Call our Coordinator, **Warren Koepsel**, at **(480) 510-9304** to schedule a trip to your home. If you reach voice mail, leave a clear message giving job information, your name, telephone number and nearest cross streets. We will get back with you to schedule a visit.

Are **YOU** Handy?

*Your Clubs really need your help!*

Since the passing of Clint Langford, our group of North Valley handymen has experienced a significant decline. So we're hiring!!!

You don't have to be a contractor level kind of handyman – just generally handy around the house. Some of you may have special skills (Computer/Plumbing/Electrical/Drywall?) that can significantly help our members in need. Why not try it? Call Warren (480-510-9304). We would love to talk with you!

The Sperry Retiree Club (SRC) currently has 11 Board members working to keep the Club going. As the Club gets older so do we.

Several of these members have been on the board for many years. If anything was to happen to them or they resign from the Board, the Sperry Retire Club could be in jeopardy. To keep SRC from being at risk we need more Board members.

If you can spare a little time and like to work with others, please contact any one of the Board Members on page 2. What do you get for doing this? The same as us, the pleasure of knowing you are keeping a legend going.
