Message from Kaye's Korner

Can you believe it's May already!? Wow, seems like only yesterday I was sitting down and composing my September 2017 message. First off, I'd like to welcome the newest SRC steering committee member, Steve Flood. You can read all about Steve's 'past life before retirement' on page 4 of this month's Wings newsletter.

Ok, now for the 'sad' part. The steering committee is losing three of its long-term members this month – Joe & Lydia Gonzales and Karen Thomas. But don't worry, all three will remain active in the club and who knows, maybe we can sweet talk them into coming back to the steering committee sometime in the future.

You already know Shani Solberg had to step down earlier this year due to health reasons. So, we're looking for a couple more retirees who are willing and able to join our happy group. If you're interested, let me or one of our other committee members know. No special skills are required, only the willingness to meet once a month September thru May and plan fun outings.

The Day at the Races had a great turnout 57 members and guests from Sperry, Honeywell and Garrett retiree clubs. Some money was won, some money was lost, good food was consumed, but all-in-all everyone had a fun time. Be sure to look at the photographs and read Fred's article on page 6.

We had 60 members and guests attend our annual picnic on the 26th. Once again, Larry and his team did an outstanding job in the cooking and prep. And as usual we had SO MUCH good food everyone was able to enjoy. We collected many books for Karen Thomas to distribute the fire department up in Wilhoit. Be sure to read the update on who our winners were in the 50/25/25 and look at the photographs on page 9.

This issue of the Wings will be the last one until September and we know a lot of our former coworkers are either preparing to leave the 'Valley of the Sun' for the summer or going to stay here and enjoy the 'dry heat' by living in the backyard pools, spas or taking road trips to Payson, Prescott, Flagstaff or California to break up the monotony. Whatever your plans are, we hope you stay safe and see everyone in the fall and at our Kick-off luncheon on September 20th.

Meet Steve Flood; our newest member of the board

Steve grew up on a farm in Yuma, AZ. After high school, he went on to get an undergraduate degree at the University of Notre Dame and a Masters Degree at the University of Southern California in Finance.

He started work as a cash flow planning analyst for a small public company in Torrance, CA. Several years later, Steve moved on to work for NCR Corporation at their headquarters in Dayton, Ohio where he focused on financial planning and became a Finance manager for one of their businesses.

After 8 years with NCR, Steve returned to Arizona in 1985, were he took a position with Sperry Flight Systems at the 19th Avenue plant. His initial role was to review various acquisition opportunities. What followed was an almost 33 year career with Honeywell in various finance positions including: Engineering/Product Line Finance, Pricing, Cost Accounting and General Accounting.

Over the years, Steve has enjoyed being involved with various communities. He worked with the City of Glendale to spearhead a community request for a park in Arrowhead Phase I, now named Utopia Park. He was an original member of the Arrowhead Community Hospital Board of Directors and is currently on the Board of the Aero Federal Credit Union.

Steve enjoys traveling with his wife, Mary Ann. He has two adult children and 2 granddaughters. His favorite pastimes are: spending time with family, golfing, dabbling in the stock market and growing roses.

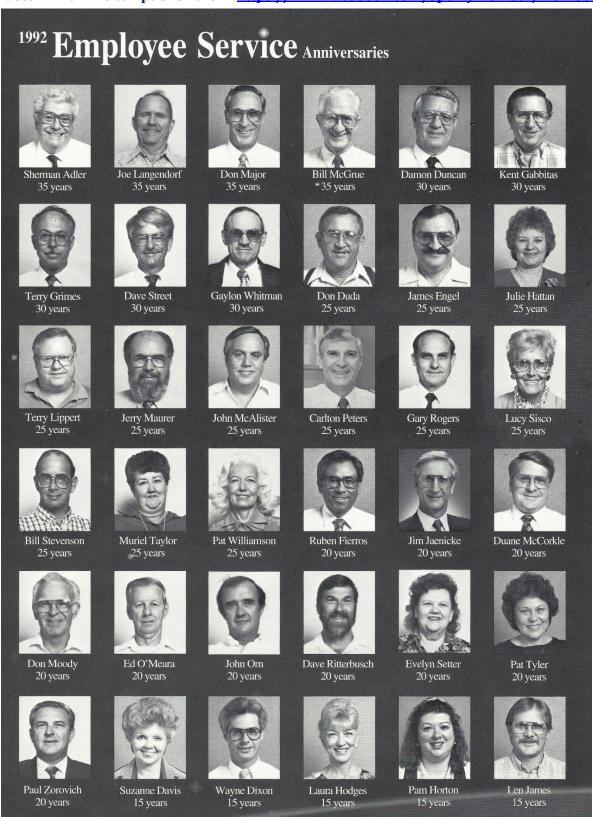

After retiring from Honeywell in April of this year, Steve is now working with his wife as a realtor. They reside in northern Peoria.

Day at the Races Success

The Day at the Races had a great turnout 57 members and guests from Sperry, Honeywell and Garrett retiree clubs. Some money was won, some money was lost... all and the food is always good. All-in-all everyone had a fun time.

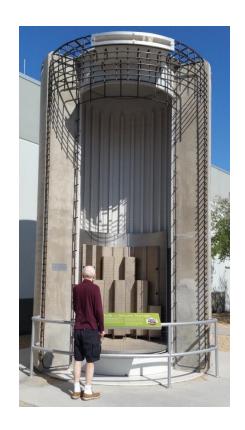

Palo Verde Education Center Visit April 18th, 2018

26 members toured the facility and listened to a presentation by our host Chuck Emmitt who had 50 years experience in the nuclear industry. We learned that Palo Verde was a base load generator and typically gas fired generators handle peak load. There was a long discussion on U235 and U238 and how it is used for fuel.

Chuck gave a detailed description of the pressurized water reactor design and its advantages over other designs. We also found out that if every piece of uranium in the United States could be used it could power the USA for a million years. One pellet of uranium the size of a pencil eraser is equivalent to 1 ton of coal or 3 barrels of oil.

Southwest Airlines 4th Visit April 19th, 2018

We had 19 club members visited Southwest two days after the engine explosion so guess what we asked about. A forward fan blade was shed on a Southwest Airlines plane in 2016 causing the engine manufacturer CFM to investigate and finally recommend inspections of older engines within a year. The aircraft that had a problem was due for a check in June. Looks like the problem was more serious than CFM thought. SW was inspecting 450 engines in 15 days and all 1400 in 30 days so they were being proactive. Pictures below show the blades removed for ultrasonic inspection. Also shown is a blue jack mechanism that lifts the front landing gear of a 737-700 to drop the tail enough to get inside the hanger door that is too low for the new series jets.

Sperry Retiree Spring Picnic

There were 60 people, We missed many of our friends and significant others today. But for those who made it it was good to see you. Hope you enjoyed yourselves. Larry always does a great job at organizing the Picnic As always Board Members pitch in to help. Tom Neis and Matt Schuetz each collected \$50 on the 50/50 drawing. Don't forget the Luncheon in Sept.

Clubs Fix-It Guys Program

Sponsored by Honeywell, Garrett and Sperry Retiree Clubs

We help Honeywell retirees or surviving spouses with fix-it jobs around the house. This program is designed to keep the job from being a budget buster for you. Call our acting Coordinator, Warren Koepsel, at (480) 510-9304 to schedule a trip to your home. If you reach voice mail, leave a clear message giving job information, your name, telephone number and nearest cross streets.

We will get back with you to schedule a visit.

Are you Handy?

Your Clubs really need your help!

Since the passing of Clint Langford, our group of North Valley handymen has experienced a significant decline. Warren Koepsel has graciously offered to temporarily coordinate Fix-It Guys activities for the North Valley until we find a replacement for Clint. So ... We're hiring!!!

You don't have to be a contractor level kind of handyman - just generally handy around the house. Some of you may have special skills (Computer/Plumbing/Electrical/Drywall?) that can significantly help our members in need. Why not try it? Call Warren or GRC President, Mark Steele, (602) 541-5360 or HRSC President, Ed Taschner (602) 300-6262. We would love to talk with you!

The table below lists our current Fix-It Guys Team. Thanks guys - for all that you do.

Jump on board

Looking for new board members

The Sperry Retiree Club (SRC) currently has <u>9</u> Board members working to keep the Club going. As the Club gets older so do we.

Several of these members have been on the board for many years. If anything was to happen to them or they resign from the Board, the Sperry Retire Club could be in jeopardy. To keep SRC from being at risk we need more Board members.

If you can spare a little time and like to work with others, please contact any one of the Board Members on page 2. What do you get for doing this? The same as us, the pleasure of knowing you are keeping a legend going.

Lost and Found

If you lost or found anything at our events!

Please give it to any member on our board and they will be sure to get it back to the owner if possible
