Message from Kaye's Korner

It's HOT outside! Welcome back everyone! Here's our first issue of The Wings for 2018/2019 calendar year. According to the local weather forecasters, summer is almost over - SURE RIGHT - and fall is just around the corner. Come on cool weather!

Most of you are not aware that this past spring, Honeywell no longer provides the names and addresses of new retirees to the three retiree clubs here in Phoenix (Sperry, Garrett and Honeywell). Therefore, all three clubs are in a bind to recruit new members. Of the three clubs, Sperry's memberships are the oldest - or as I like to refer to our members as 'mature'. With that in mind we need your help in recruiting new members.

Most of you know about our Face Book page on social media but that only works when a person is already retired and a member of our club. Therefore, please let us know if you hear or are advised of a recent retiree whom you believe would benefit from membership in the SRC. This person can be local or out of state (we have MANY former co-workers who reside in other states besides Arizona.)

As you know, you don't have to be just a former Sperry employee but also a former Honeywell employee. Your help would be much appreciated.

If you haven't reserved your place for the kick-off luncheon at Palm Brook Country Club on September 20, be sure to let me know. As in the past, we've got the 50/25/25 raffle. Plus this year we've got some "never been given away to customers" **Sperry memorabilia to be raffled off!** So make sure you reserve your seat to see what's in store and find out what the steering committee is working on!

In closing, your steering committee hopes to see you at the kick-off luncheon later this month and at any of the other events being organized for your pleasure. **And as usual if you find yourself without anything to do in your spare time, please contact one of the committee members and join us. We can always use fresh new faces and ideas.**

CAS-SPO campaign 1997

Darwin Johnson and Kathy Johnson add up the donations made to CAS-SPO's annual FoodShare campaign during a lunchtime performance of the "Identity Crisis" band, better known as, left to right, Pete Dukich, Greg Peterson, Tammy Quick, Jim Conner and Paul Olstad. Popcorn sales, raffles, a Fun Run, and flower and bake sales were held to raise FoodShare funds, which is part of a Minneapolis-wide campaign to stock foodshelves throughout Minnesota. CAS-SPO raised \$14,957 in this year's effort, held during March.

Giving Back for U.S. Vets, with Honeywell & RTVOS

November 10, 2018

The Sperry and Garrett clubs are invited to participate as well.

Our community service project this year will be working for U.S. Vets, an organization that supports homeless military veterans. As we did last year, we will be joining Honeywell Aerospace and Rebuilding Together Valley of the Sun (RTVOS), a charitable organization based in Tempe. This is a great opportunity for all our retiree clubs to support those in need in the Valley, while spending quality time with other retirees and active employees.

You may also bring along family members aged 14 or more to work on this project. Our project last year had 90 volunteers, including current employees and retirees.

The project this year will be at Grand Veterans, 3400 NW Grand Ave. Phoenix, where U.S. Vets provides temporary and permanent housing for homeless veterans. There will be a variety of work, primarily outdoors, upgrading the outdoor community space. Individual projects will include things like removing a playground area, adding a patio area, building benches and pergolas, installing BBQs, landscaping, possible fencing for a dog run, possible meditation “space.”

We expect to be working from 8:00 to 1:00. Lunch will be provided. Be prepared to have a great time providing a service to the valley, and working together with current Honeywell employees and retirees.

Contact Doug Metzger at doug.metzger@cox.net or 602-319-6637 to sign up, or if you have any questions.

The deadline for signing up is Saturday, October 20.

Last year’s retiree volunteer crew!

Tovrea Castle

Friday January 11th, 2019

All 250 tickets purchased by the club have been sold for this popular tour. If you try to go as an individual you will find no tickets are available for the rest of this year.

The Sperry Club has purchased 24 additional tickets and allocated them to the people on the waiting list. That leaves 13 tickets available. Please note that the tickets in the past have all be allocated in days or weeks so procrastinators will miss out just like shopping in Costco. The Society has increased the price to \$20 and the club is adding \$2 per ticket for expenses for a total of \$22 each.

This is a private tour for Sperry, Honeywell and Garrett clubs. Tours are approximately 2 hours and include the historic Castle's main floor and basement, extensive grounds and cactus gardens surrounding the Castle. Most of the tour is outside riding a tram so dress warm. The tour starts at 10 am and the grounds are cool.

The tour is wheel chair accessible but no electric scooters are allowed. There are seats inside the building to rest so it is not a strenuous tour.

Guests are greeted by Tovrea Carraro Society volunteers at the Visitor Center and taken through the Carraro Cactus Gardens on a tram with a docent. The tour winds through the beautiful 44 acres, viewing the outer buildings, before arriving at Tovrea Castle.

The club would like to thank Tamera Zivic, Tovrea Carraro Society President for working with me and allowing special group tours to fit our schedule.

Honeywell Clubs Fix-It Guys Program

Sponsored by Honeywell, Garrett and Sperry Retiree Clubs

We help Honeywell retirees or surviving spouses with fix-it jobs around the house. This program is designed to keep the job from being a budget buster for you. Call our Coordinator, Warren Koepsel, at **(480) 510-9304** to schedule a trip to your home. If you reach voice mail, leave a clear message giving job information, your name, telephone number and nearest cross streets. We will get back with you to schedule a visit.

Are **YOU** Handy?

Your Clubs really need your help!

Since the passing of Clint Langford, our group of North Valley handymen has experienced a significant decline. So we're hiring!!!

You don't have to be a contractor level kind of handyman – just generally handy around the house. Some of you may have special skills (Computer/Plumbing/Electrical/Drywall?) that can significantly help our members in need.

Why not try it? Call Warren (480-510-9304). We would love to talk with you!

The table below lists our current Fix-It Guys Team.

Thanks guys - for all that you do.

Jump on board

Looking for new board members

The Sperry Retiree Club (SRC) currently has 10 Board members working to keep the Club going. As the Club gets older so do we.

Several of these members have been on the board for many years. If anything was to happen to them or they resign from the Board, the Sperry Retiree Club could be in jeopardy. To keep SRC from being at risk we need more Board members.

If you can spare a little time and like to work with others, please contact any one of the Board Members on page 2. What do you get for doing this? The same as us, the pleasure of knowing you are keeping a legend going.

Lost and Found

If you lost or found anything at our events!

Please give it to any member on our board and they will be sure to get it back to the owner if possible

Thank your neighbor

National good Neighbor day is Sept 28th, but you can observe it anytime. Send around freshly baked cookies to lift neighbor-hood morale and you'll boost your chances of borrowing a power drill or finding cat or dog sitter when you need one.
