## Keith's Thoughts

It is officially fall although it is still warm out there. We have some events planned to take advantage of the cooler weather.

In November we have [a private tour of Manistee Ranch Park](#) that is right in the middle of Glendale and few people have heard of it. This includes a tour of a 7000 square foot house built in 1897 on a 320-acre spread. If you review the history of the site the original owners were the largest employer in the City of Glendale and influenced development of the surrounding area. This tour is in the morning starting at 10 am so the weather should be good.

How about a [Sunset music cruise on Lake Pleasant](#) to round off your day?

This is the third year we have held this popular event in the fall. You leave the dock before the sun goes down so you can see the lake and sometimes wild animals on the banks. Then as you listen to the music the sun goes down as you return to the dock. There are snacks and alcoholic drinks onboard and you can always eat at Dillons afterwards.

In December we have two events planned. The first is an [Arizona Broadway Theater production of The Beauty and the Beast](#). The show includes a meal and we will try to sit friends together. Although it is a December performance, we have a deadline of November 1<sup>st</sup> to receive payment to guarantee our discount rate. There are still seats available so please do not delay in making your reservations.

We have a [Holiday Lunch planned near Christmas](#). For years we have used the same venue but new management has raised the costs so we are using a new place that we believe is much better. The menu is also different. We are going to use this lunch as a celebration of the joining of the two clubs and would like to see as many members attend as possible. To mark the event the board decided to subsidize the price of the meal bringing it down to \$30 including tips as a thank you for the support of our members. The room holds 200 people comfortably so please do not hesitate to sign up to reserve your place. This room is bigger than the one we booked last year and had to turn people away.

In recognition of the diverse membership of the new club we would like to [publish an article about the different divisions each month](#). It could be about your favorite product/project or some amusing story that happened in your career. Please contact Joyce the newsletter editor if you have any suggestions at [hrac.navigators@gmail.com](mailto:hrac.navigators@gmail.com)

Some of you will be receiving emails and phone calls reminding you to renew your membership. It is only \$5 a year so please respond if requested.

Our new website continues to be updated with the latest information on upcoming events. The site is the go-to place to sign up for events, see pictures of past events and review past copies of our newsletters. The new website address is [hracaz.org](http://hracaz.org).

## ***Historic Manistee Ranch Park***

**Private tour Saturday Nov 9<sup>th</sup> at 10am**

### **History**

Built in 1897 by a wealthy lumber baron from Wisconsin named Herbert W. Hamilton, Manistee Ranch began as a 320-acre spread along what is now Northern Avenue. Hamilton sold the place to Louis M. Sands, a prominent Arizona businessman and rancher, in 1907, and it stayed in the Sands family until it was sold to the Glendale Historical Society in 1996.

Today the ranch is on the National Register of Historic Places, and its four buildings – a garage, office, barn and house – can be visited by anyone who wants to get a little taste of Glendale history.

Guests will be treated to a 7000 square foot home decorated in antique furnishings that are original to the home or that were collected from within the city. The basement houses a collection of photographs, Glendale grammar school items and old farm equipment that was used on the ranch.

The farm equipment was utilized mainly to harvest feed for the livestock, which included cattle, sheep, horses, ducks, and chickens.

The Sands family also grew citrus and dates on the ranch. In the 1920's workers would harvest the dates and store them in a date house next to the rose arbor. The dates were then sold for 25¢ a pound. Today, the ranch is home to 11 different species of palm trees including Hayany, Bent Kebella, Medjoul, Braim, Barhe, Zadhi, Maktoom and Deglet Noor, to name a few.

The date grove has been turned into a garden by the City of Glendale, where visitors can sit and meditate among the palms, some of which are more than 100 years old.

And Manistee's owners were not just ranchers. Through the years, the Sands family made significant contributions to the city. Before World War II, they were the largest employer in the city. And after World War II, they leased a portion of the ranch's acreage for Glendale's first mall – Valley West Mall, 52nd Avenue and Northern Avenue, Glendale, Arizona 85301.

The parking lot is on the west side of 51st Avenue just south of the businesses at Northern Avenue.

**Well now you can find out.**

### ***Zero Waste Team Education***

The City of Phoenix has goals to reach 50% waste diversion by 2030 and zero waste by 2050, consistent with the goals set by the City's [Climate Action Plan](#). To reach these goals, Phoenix seeks to develop the circular economy and maximize recycling and reuse efforts to further divert resources away from the landfill. Our efforts will lessen environmental impacts by reducing the amount of greenhouse gases entering the atmosphere, while creating healthier communities, and spurring economic activity.

In order to reach the city's zero waste goal by 2050, the Zero Waste team provides education and community outreach to teach the community about waste diversion. These methods include group tours of the city's North Gateway Transfer Station and Materials Recovery Facility (MRF), educational presentations to schools, neighborhood and community meetings and hosting informational booths at community events.

Now you can experience the sight, sound and smell of recycling at the North Gateway Transfer Station. The address is 30205 N Black Canyon Hwy, Phoenix, AZ 85085. Gate 3. I have organized a group tour on Thursday January 9<sup>th</sup> at 10am. The tour lasts 1 hour.

To sign up go to [HRACAZ.ORG](https://hracaz.org) and events or click [Here](#) to go straight to the form.
