Keith's Thoughts

As you look at page one you will see we have a lot of events planned and several new events next year.

The Ping Factory tour is in October and you will see how they make, assemble and test their clubs. Space is limited so sign up quickly.

In November we visit the Commemorative Air Force Museum. The museum houses several planes and a lot of military artifacts. Our docent is an ex-Honeywell pilot who is very good at explaining all the displays. Last time we walked through a B-17 bomber from front to back. For me that was the best part of the visit.

The Arizona Broadway Theater Show is a popular event with rotating content. This year the play is A Christmas Story based on a classic film. We have limited tickets and normally they sell fast so do not delay.

We have finalized details of our Holiday Lunch. It is in the same place as last year as it is the best deal we can find. We have looked for a more central location but they all want to charge large room fee in addition to the food. Last year the service was very good and this year we are changing the menu. Early sign up is appreciated as we have to give firm numbers before the event.

In January we return to the Sanderson Ford Car Museum. This is a private museum that several members have been to before. This time the son of the owner will do the tour and normally he tells the story of every car as we walk around together so it is different to previous tours.

In February we return to Tovrea Castle. We stopped this popular event at the start of COVID. Since then, the tours have been so popular that they have instituted a lottery system to get tickets. Fortunately, a Garrett Club member has a daughter who is President of the Tovrea Carraro Society and allows us to setup group tours so we bypass the lottery system. So, if you want to go let me know.

I am pleased to see that in last months and this month's Navigator we have stories from more diverse Honeywell divisions. Please keep them coming in so that our newsletter better reflects the diversity of our membership. Send suggestions to hrac.navigator@gmail.com.

As always feedback about any event we hold is appreciated. Either email me directly or go to MORE on our website and use the contact form.

Keith Hughes.

Recycling Tour

Thursday, January 15, 2026 at 10am

Back by popular demand, we are revisiting the Phoenix Recycling Plant. Ever wondered what happens to all your trash and how it gets recycled? Well now you can find out

Zero Waste Team Education

The City of Phoenix has goals to reach 50% waste diversion by 2030 and zero waste by 2050, consistent with the goals set by the City's [Climate Action Plan](#). To reach these goals, Phoenix seeks to develop the circular economy and maximize recycling and reuse efforts to further divert resources away from the landfill. Our efforts will lessen environmental impacts by reducing the amount of greenhouse gases entering the atmosphere, while creating healthier communities, and spurring economic activity.

In order to reach the city's zero waste goal by 2050, the Zero Waste team provides education and community outreach to teach the community about waste diversion. These methods include group tours of the city's North Gateway Transfer Station and Materials Recovery Facility (MRF), educational presentations to schools, neighborhood and community meetings and hosting informational booths at community events.

Now you can experience the sight, sound and smell of recycling at the North Gateway Transfer Station.

The address is: 30205 N Black Canyon Hwy, Phoenix, AZ 85085.

Take Dixileta drive Exit off at I-17 and turn left at Gate 3 or if coming from the north get off at Jomax and go north to Dixi Leta

We have organized a group tour on Thursday January 15th, 2026 at 10am.

- This tour is free
- The tour lasts 1 hour.
- This tour is handicap accessible

To sign up: go to [HRACAZ.ORG](https://hracaz.org) and select Events or click [Here](#) to go straight to the Event Calendar and scroll down to the Recycle event. Alternatively, contact Kirk Anderson at kirk-anderson@cox.net

The Sanderson Village and Museum

Jan 23, 2026

You are invited to tour a private, invitation only with the son of the owner, who designed the museum. Even if you have been before Matt spends time telling you all about each car and its history. The museum contains dozens of cars and nostalgic items, such as a beautifully recreated old mercantile store, a kitchen from the '40s and a '50s diner with oodles of chrome and period furnishings and accessories such as Coca Cola items from the '30s through the '50s. The 20,000 square-foot warehouse has one of the best Ford collections anywhere and has something for everyone to enjoy.

This free tour is at 9:30 am on Jan 23rd, 2026 in Glendale. The tour lasts 60 – 75 minutes. Afterwards you may visit the Starliner Diner on the same site and purchase a late breakfast or lunch. For **tour reservations** contact Keith Hughes at keith8411@cox.net. Please tell me if you are staying for a meal as space in the diner is limited to 30 people. No limit to attend the event if not eating.

Tovrea Castle

Friday Feb 6th and 13th 2026

Ever wanted to visit the building near Sky Harbor Airport that looks like a wedding cake? This place has become so popular that they had to institute a lottery system for tickets. Fortunately, I was able to get group tickets for two tours each with 12 people. If you go the engineers in you will realize why they had to strengthen the floors and see if you can find the eggs.

Tours are approximately 2 hours and include the historic Castle's main floor and basement, extensive grounds and cactus gardens surrounding the Castle. Most of the tour is outside riding a tram so dress warm. The tour starts at 10.30 am and the grounds are cool. The tour is wheel chair accessible but no electric scooters are allowed. There are seats inside the building to rest so it is not a strenuous tour.

Guests are greeted by Tovrea Carraro Society volunteers at the Visitor Center and taken through the Carraro Cactus Gardens on a tram with a docent. The tour winds through the beautiful 44 acres, viewing the outer buildings, before arriving at Tovrea Castle.

The Society has increased the price to \$25 each.

Only a limited number of tickets are available, so book early to avoid disappointment.

If interested send the following to keith8411@cox.net.

- Name, number of tickets, preferred date and cell phone number in case of last-minute changes.

Manistee Ranch Park

Private tour Saturday Feb 28, 2026, 10am – 11:30am

Built in 1897 by a wealthy lumber baron from Wisconsin named Herbert W. Hamilton, Manistee Ranch began as a 320-acre spread along what is now Northern Avenue. Hamilton sold the place to Louis M. Sands, a prominent Arizona businessman and rancher, in 1907, and it stayed in the Sands family until it was sold to the Glendale Historical Society in 1996.

Today the ranch is on the National Register of Historic Places, and its four buildings – a garage, office, barn and house – can be visited to get a taste of Glendale's rich history. Attendees will tour a 7000-square-foot home decorated with antique furnishings that are original to the home or that were collected from within the city. The basement houses a collection of photographs, Glendale grammar school items and old farm equipment used on the ranch.

Event Details:

- **Location:** Glendale, 52nd Avenue and Northern Avenue
- **Cost:** \$5 per person to be paid by each attendee at door, **CASH ONLY!**
- **Parking:** Enter parking lot from 51st Avenue, just south of the businesses at Northern Ave.

Date/Time:

- Feb 28, 2026, 10:00 to 11:30 AM tour.
- Attendees will meet in front of the ranch no-later than **9:45 AM.**

Insight into our History

Aug 1989

QUALITY PERSON OF THE MONTH

MAY

DAVE KRESL

Some employees demonstrate quality performance day in and day out. Dave Kresl of Purchasing is such a person.

In nominating Dave for an Employee Recognition Award, Dave Ecker explains why:

"Dave demonstrates an untiring willingness to accept and volunteer for projects of benefit to the Purchasing organization. His attitude is positive. His energy level is unflagging. He manages more than his share of the 'extra' work with good spirits. He routinely spends extra time of his own

to keep up with the demands."

Two examples of special projects: coordinating the Purchasing office layout and move, and coordinating a policies/procedures update.

For demonstrating quality work above and beyond his normal job scope, Dave was chosen by the Recognition Team as IASD Quality Person of the Month.

Besides the honor, QPMs receive \$50, reserved parking for a month and a VCR.

Dave Kresl, left, is congratulated by Rod Woods, vice president of Operations.
