Message from Kaye's Korner

Hello April! How many of you have taken the opportunity to travel around our great state in the past several weeks and witnessed the POP UP of beautiful flowers?!? I don't know about you, but I'd say Arizona has got to be one of the most beautiful and diverse states in the continental US.

Now, I'd like to welcome our newest Steering Committee member, Kevin Vetter. Those of you who worked with Kevin during his career at Sperry/Honeywell will be surprised at his many interests. You can read all about Kevin and his hobbies on page 4 of this month's Wings.

Recently, your steering committee has been receiving telephone calls from members asking for information on how to contact retiree service/pension centers. Please remember those telephone numbers are ALWAYS posted on the next-to-last page of the Wings each month. By calling whichever 800 number you need, they will help you obtain an answer to any questions you may have much faster than trying to contact a committee member who may or may not be available.

We had 12 members and guests participate in the PXG tour last month. All I can say is WOW! If I had several thousand dollars just lying around, I just might be tempted to have a set of custom clubs made for Mike - NOT me I'm NOT the golfer.

Final plans are underway for our annual **AAC Spring potluck/picnic at Rio Vista Park on Thursday, April 25th**. This year members of the HRSC will be joining us - and I'm really looking forward to seeing them. We'll be meeting, greeting and eating at Ramada's 4 & 5. Be sure to bring your favorite dish to share with everyone. Also remember due to health reasons we ask you NOT bring personal trays as your steering committee will be supplying disposable plates for everyone's use. We'll have the 50/25/25 raffle for everyone's enjoyment.

Also, thanks to the HRSC folk, they're going to collect canned goods for the Desert Mission Food Bank. So, if you'd like to contribute, please bring a couple of canned goods with you to the picnic. Once again, we'll have a book exchange for \$1 per book.

There will also be an area where you'll be able to **sign up for the September Kick-off Luncheon**. Be sure to read more about it on page 12.

Also, we've had a couple of changes to both the **MIM and Barry Goldwater photography tours**. So be sure you read the articles on pages 10 and 11.

In closing, once again I'd like to encourage anyone who wants to join the AAC steering committee to please do so. As I mentioned last month, a couple of our members are stepping down the end of May. So, if you're interested be sure to contact one of the committee members listed on page 2 of this month's Wings.

Remember, if we don't have enough committee members, we won't be able to organize activities and events for our members and guests in the future.

Kaye

Our New website address: www.AeroActivitiesClub.com

Meet Kevin Vetter- our newest member on our Board.

Kevin grew up in the Pacific Northwest... He has lived in Portland, Seattle, Salt Lake and Boise. He completed his Electrical Engineering degree and MBA from the University of Idaho in Moscow, Idaho.

Kevin then moved to Phoenix where he joined Sperry Flight Systems in 1980. Throughout his 37 years career with the company, Kevin survived 46 bosses and four company name changes while working as an electrical engineer for the Defense, Space, and Avionics divisions at Bell Road and Deer Valley.

Kevin has always loved a wide variety of outdoor sports, including soccer, sailing, hiking, skydiving and scuba diving. He has been awarded several world medals for skydiving and continues to be a very active competitive skydiver. Kevin also has his private and instrument pilot's licenses and is the proud owner of a Cessna 182.

Kevin and his wife Cheri have two stuffed bears (Snuffles and Jr.) that travel everywhere with them around the world. Their travels have taken them from the Arctic Svalbard Islands to the Galapagos to the Antarctic, and all points in between.

Since retirement, Kevin has been hard at work refurbishing a 1995 RV and dabbling in stained glass. He has become an enthusiastic golfer. Kevin has also joined a community chorus and has survived his first concert. When at home (which is not very much!), Kevin lives in Northwest Phoenix.

MVD urges Arizonans to consider getting Voluntary Travel I.D.

As 2020 deadline approaches, airports and TSA help spread the word

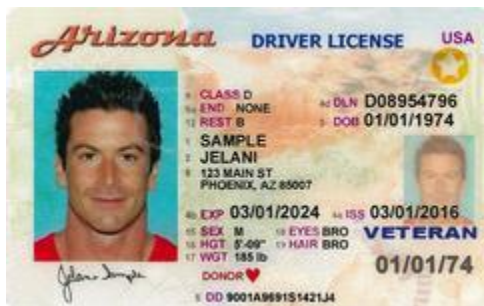

PHOENIX - Arizonans who plan to use their driver license or ID card to get through security checkpoints at U.S. airports and other restricted, federally-controlled facilities should take action to get an Arizona Voluntary Travel ID through the Arizona Department of Transportation Motor Vehicle Division.

The Transportation Security Administration will provide MVD informational flyers at its airport checkpoints in Flagstaff, Phoenix Mesa-Gateway, Phoenix Sky Harbor, Tucson International and Yuma International. The flyers advise passengers that starting Oct.1, 2020; standard credentials won't be accepted by the TSA.

"Now is a great time to get a Voluntary Travel ID, because the federal deadline gets closer every day," said MVD Director Eric Jorgensen. "MVD is making this process simple. Customers can go to ServiceArizona.com and make an office appointment. The website provides information about what documents that customers should bring with them to meet the REAL ID requirements for the Voluntary Travel ID. Appointments also help MVD offices run more efficiently, helping to get customers out of line and safely on the road."

The Voluntary Travel ID is an Arizona driver license or ID card that meets the additional identification requirements of the federal REAL ID Act of 2005. Standard Arizona licenses or ID cards do not conform to the federal REAL ID requirements because of a state law that says those steps must be taken voluntarily by the license or card holder.

The cost is \$25 for renewals and first-time issues. Per federal law, the credential is valid for eight years, in most cases. Customers whose photos need to be updated in the near future may wish to get the Voluntary Travel ID.

Forms of identification required for a Voluntary Travel ID include one document such as a birth certificate or a passport that proves identity; one document that proves a Social Security number such as a Social Security card or W-2 form, and two documents such as utility bills or bank statements that prove Arizona residency.

For a list of examples of identification documents and for additional information, please visit the Voluntary Travel ID section of the ADOT website at azdot.gov/TravelID.

Looking for new board members

The Aero Activities Club (SRC) currently has 11 Board members working to keep the Club going. As the Club gets older so do we.

Several of these members have been on the board for many years. If anything was to happen to them or they resign from the Board, the Aero Activities Club could be in jeopardy. To keep SRC from being at risk we need more Board members.

If you can spare a little time and like to work with others, please contact any one of the Board Members on page 2. What do you get for doing this? The same as us, the pleasure of knowing you are keeping a legend going.
