

THE MEANING & SYMBOLISM OF POINSETTIA Also known as the Christmas Star and Christmas Flower, it's said that this winter flower's association with Christmas comes from a Mexican legend. The story goes that a child, with no means for a grander gift, gathered humble weeds from the side of the road to place at the church altar on Christmas Eve. As the congregation witnessed a Christmas miracle, the weeds turned into brilliant red and green flowers.

Keith's Thoughts

By the time you read this we will have had our annual Christmas Lunch.

This time we will have Santa in attendance to take pictures of all the guests with him as they arrived. And then in a few days they will be on our website AeroActivitiesClub.com/photos

I mentioned square dancing last month and I encourage you to check out my comments in the article this time and it includes links to videos.

Coming up next year we have two visits to the Musical Instrument Museum. Each event has a different theme and one is weekday and one at the weekend for those members still working.

Also planned for April is our annual Spring Picnic so look for details in the January Wings.

Later in the year are two cruises sponsored by the Honeywell club.

Last time I reminded you to check your club subscription and renew if necessary. I am pleased to say several of you have renewed and more than one for 4 years. That is appreciated as it saves time and money in the club. If you receive your newsletter and the email states you are paid up to the end of 2021 it means your subscription is running out. Our membership is on a calendar year basis and I encourage you to renew now and save the committee chasing you next year. None of us like to make those reminder calls. The committee is all voluntary so all the money goes toward expenses like running our website, food at our annual picnic etc. You can fill in the form at the end of this newsletter or starting this year renew on our website. On the website you can choose how much you want to pay so as our membership is \$5/year, if you entered \$20 you would be signing up for 4 years

You can sign up for many of the events on our website and often pay online at the same time using PayPal. Just go to the Events tab and select the event you want to attend. You do not have to have a PayPal account to use it as the system is just like paying on Amazon or any other online retailer. We do not store the financial information. This feature also works for membership renewal.

The website address for past newsletters, event photos etc is AeroActivitiesClub.com

On behalf of the committee we would like to wish you Merry Christmas & Happy Holidays and good health.

Possible upcoming events

- Ping Golf Tour
- Birding
- St Mary's Food Bank
- Day at the Races
- Magic Castle

Send an email to me if you are interested in any of these events. keith8411@cox.net

Please take care and stay safe, Keith

Lake Pleasant Cruise Tour

"On November 5th we had a sunset, live music cruise on Lake Pleasant. It was well attended by AAC members who really enjoyed both the views and the music!"

It was well attended by AAC members who really enjoyed both the views and the music! In addition to the Aero Club attendees, there was a large group from the Italian American Club in Pebble Creek which made for a really festive time.

The views of the lake and mountains in the evening and at sunset are spectacular. The cruise went from the marina to the far end of the lake and back so you get to see different scenery each way.

The boat is very smooth and you hardly know you are moving.

On the way back to the marina, the band played music that was great for dancing.

In all it was a really fun time and we would definitely recommend it. We will have this again next. Look for it in our newsletter.

Square Dancing

Everybody has a New Year resolution to exercise more. Last month I talked about the virtues of Square Dancing and how good exercise it was for both the body and brain remembering all the moves. Well I checked out the program on my Fit Bit and discovered some interesting facts. My resting heart rate is 54 beats per minute but if I look at my heart rate while dancing showed 44 minutes Cardio and 50 minutes Fat Burn for a total of 655 calories. That was effortless as all I remember is enjoying myself. Below I have some links to some videos of us dancing together with some pictures. . Below are lesson details starting January 5th at 6:30 PM. Arrive by 6pm to sign up. I hope to see you on the dance floor next year. Keith Hughes.

Botanical Gardens

Free admission days

Bring your camera for all of this beauty

The Desert Botanical Garden has free admission on the second Tuesday of the month from the hours of 1 - 8 p.m. The garden and the neighboring Phoenix Zoo are accessible from the bus line; however, not by the light rail.

Best advice is to check the bus schedule, as times and bus numbers are subject to change.

Desert Botanical Garden is a 140-acre botanical garden located in Papago Park, at 1201 N. Galvin Parkway in Phoenix, central Arizona.

Founded by the Arizona Cactus and Native Flora Society in 1937 and established at this site in 1939, the garden now has more than 50,000 plants, in more than 4,000 taxa, one-third of which are native to the area, including 379 species, which are rare, threatened or endangered.

Barbara Rippstein Invites You North to Alaska

The travel industry is abuzz with new cruises. The cruising public is already booking cruises up to 2024. Personally, I usually book our cruises a year in advance to make sure that I can get a handicap cabin. But it is surprising the number of cruisers booking now. During the COVID scare in 2020, cruise lines parked their ships in ports without much traffic, miles offshore to avoid paying port charges or scrapped them. They offered passengers credits for future sailings or refund. Now everyone with credits is booking trips.

I have already booked a 5-day cruise to Cabo San Lucas. It departs April 24, 2022 on the Discovery Princess. We already have 10 of our retirees sailing with us. An information ad is included in this issue of the Bridge.

Now I have also booked a 7-day Alaskan cruise round trip from Seattle starting August 14, 2022, also on the Discovery Princess. An information ad is also included in this issue of the Bridge. Alaska is a beautiful state. Everyone should see it at least once. We have six of our retirees already signed up for this cruise. Join us going North to Alaska!

If you have any questions, please call me at 623-566-1572 or our travel agent Susan Ray at 602-615-5117.
