Keith's Thoughts

Well last year was quite a roller coaster. In January I spent an hour signing up for a COVID vaccine to be taken in February. Vaccines were being given 24 hours a day and we all thought COVID would be over by the summer. Our club events were limited out of an abundance of caution and the fact we could not book anywhere.

We had 75 people at our annual picnic in April. The most we have had in 6 years. For the first time we provided all the food as a COVID precaution.

Our Fall Kickoff Luncheon was well attended and our Christmas with Santa had 45 people in attendance.

As for other events we had 25 people at the Sanderson Ford Museum, 32 at the Arizona Broadway Theater, 12 for Tovrea Castle and 24 on the Lake Pleasant Cruise.

In summary we had good attendance at the events and tried to make them all COVID friendly. Our assumption is that our members are fully vaccinated and take appropriate precautions.

So for 2022 we now have to deal with the omicron virus so we plan to have fewer events initially until it is better understood. We start with the Arizona Canal Bike Ride that is in the open air so should be safe.

There are two trips to the Musical Instrument Museum. Each event has a different theme and one is weekday and one at the weekend for those members still working.

This year the Honeywell Club will be joining us for the Spring Picnic so I look forward to seeing even greater numbers this year.

Thank you to all of you have already sent in your annual dues. Several have paid for more than one year and that saves us time and money. Our membership is on a calendar year basis so if your Wings came with a message to say 2021 Dues you need to renew. You can fill in the form at the end of this newsletter or renew on our website.

On the website you can choose how much you want to pay so as our membership is \$5/year, if you entered \$20 you would be signing up for 4 years.

The website address for past newsletters, event photos etc is AeroActivitiesClub.com

On behalf of the committee we would like to wish you a Happy New Year and good health.

Please take care and stay safe, Keith

Square Dancing

Everybody has a New Year resolution to exercise more. Last month I talked about the virtues of Square Dancing and how good exercise it was for both the body and brain remembering all the moves. Well I checked out the program on my Fit Bit and discovered some interesting facts. My resting heart rate is 54 beats per minute but if I look at my heart rate while dancing showed 44 minutes Cardio and 50 minutes Fat Burn for a total of 655 calories. That was effortless as all I remember is enjoying myself. Below I have some links to some videos of us dancing together with some pictures. . Below are lesson details starting January 5th at 6:30 PM. Arrive by 6pm to sign up. I hope to see you on the dance floor next year. Keith Hughes.

Bring your camera for all of this beauty

The Desert Botanical Garden has free admission on the second Tuesday of the month from the hours of 8-6 PM. The garden and the neighboring Phoenix Zoo are accessible from the bus line; however, not by the light rail.

Best advice is to check the bus schedule, as times and bus numbers are subject to change.

Founded by the Arizona Cactus and Native Flora Society in 1937 and established at this site in 1939, the garden now has more than 50,000 plants, in more than 4,000 taxa, one-third of which are native to the area, including 379 species, which are rare, threatened or endangered.

Barbara Rippstein Invites You North to Alaska

The travel industry is abuzz with new cruises. The cruising public is already booking cruises up to 2024. Personally, I usually book our cruises a year in advance to make sure that I can get a handicap cabin. But it is surprising the number of cruisers booking now. During the COVID scare in 2020, cruise lines parked their ships in ports without much traffic, miles offshore to avoid paying port charges or scrapped them. They offered passengers credits for future sailings or refund. Now everyone with credits is booking trips.

I have already booked a 5-day cruise to Cabo San Lucas. It departs April 24, 2022 on the *Discovery Princess*. We already have 10 of our retirees sailing with us. An information ad is included in this issue of the Bridge.

Now I have also booked a 7-day Alaskan cruise round trip from Seattle starting **August 14, 2022**, also on the *Discovery Princess*. An information ad is also included in this issue of the Bridge. Alaska is a beautiful state. Everyone should see it at least once. We have six of our retirees already signed up for this cruise. Join us going North to Alaska!

If you have any questions, please call me at 623-566-1572 **or** our travel agent Susan Ray at 602-615-5117.
