***Keith's Thoughts***

The committee has been very busy in the last few months organizing new eventing the assumption that COVID is behind us with 85% of the population vaccinated and herd immunity. Unfortunately we are not there yet but the events we have planned are outside or in large areas where we can spread out so I encourage you all to participate.

First up is our annual Kick Off Luncheon where you can reconnect with old friends and hear about the upcoming events. You will also have a chance to give feedback on events you would like to see us organize. We have made it easy to sign up on our website at [aeroactivitiesclub.com/event-sign-up](https://aeroactivitiesclub.com/event-sign-up) where you can also pay online.

In October we have two events. The Garrett Retirees club is holding an Octoberfest outside and looks like a fun event to attend. We also have Chicago at the AZ Broadway Theater. Last year we had 32 people signed up and had to cancel due to COVID so book early as seats are limited as they have fewer spaces available for each performance.

In May we went to the Sanderson Ford Museum for the 6<sup>th</sup> time. It is a private Museum showing Ford cars up to 100 years old and 60's memorabilia. We had 25 people attend and all found it so interesting that some are asking to go back again. Afterwords we had lunch in the 50's diner. For pictures of this event go to our website at [aeroactivitiesclub.com/photos](https://aeroactivitiesclub.com/photos). Let me know if you are interested and I will setup another trip.

We are still planning a Christmas Lunch but the details will change as our first choice of venue had significantly increased their prices so we are looking for alternatives to provide value for money. As in previous years we are sharing the event with the Honeywell Retirees club. Last year we had over 60 people attend and I would like to see more this year as it is a good way to connect with old friends. No pun intended.

There is only one ticket left for Tovrea Castle and I am unable to buy more for the foreseeable future. They had to reduce admissions due to COVID and because demand is so high introduced a lottery system and increased their prices but still have a backlog.

**You can sign up for many of the events on our website and often pay online at the same time using PayPal. You do not have to have a PayPal account to use it as the system is just like paying on Amazon or any other online retailer. We do not store the financial information. This feature also works for membership renewal.**

The website address for past newsletters, event photos etc is [AeroActivitiesClub.com](https://AeroActivitiesClub.com)

Please take care and stay safe,

Keith

## ***Tovrea Castle***

***Friday Nov 4<sup>th</sup>***

***Event is on with COVID Precautions***

***“We will be taking every precaution to ensure the health and safety of our Guests and Staff. Everyone is required to wear a mask, will practice social distancing, with tour sizes broken into smaller groupings.” Most of the tour is outside riding on Golf Carts. This maybe relaxed by the tour date.***

This is a private tour for Aero, Honeywell, and Garrett clubs. Tours are approximately 2 hours and include the historic Castle's main floor and basement, extensive grounds and cactus gardens surrounding the Castle. Most of the tour is outside riding a tram so dress warm. The tour starts at 10.00 am and the grounds are cool. The tour is wheel chair accessible but no electric scooters are allowed. There are seats inside the building to rest so it is not a strenuous tour.

Guests are greeted by Tovrea Carraro Society volunteers at the Visitor Center and taken through the Carraro Cactus Gardens on a tram with a docent. The tour winds through the beautiful 44 acres, viewing the outer buildings, before arriving at Tovrea Castle. The Society has increased the price to \$25 and the club is using a special price of \$22 each.

This will be our last tour for 12 months so please do not delay in booking the last tickets. We have had over 400 members visit on 17 different dates and the event is still popular.

Only a limited number of tickets are available so book early to avoid disappointment.

If interested send the following to [keith8411@cox.net](mailto:keith8411@cox.net)

Name, number of tickets, club affiliation and cell phone number in case of last minute changes.
