**Hello everyone!**

**Happy New Year! I hope you were able to enjoy the holiday season and spend quality time with friends and family.**

**As we begin a new year of activities, I have a special request for help from one of our members. The Retirees Club holds our annual Spring Picnic each April at the Rio Vista Recreation Center in Peoria. Unfortunately, Peoria increased their rental charges by 288% last year. If one of our members is an annual member of the Rec Center and could book the facility on our behalf, we could save \$120. Of course, the club would reimburse all expenses. If you are able to help, please contact me as soon as possible — your assistance would be greatly appreciated.**

**Looking back briefly, our December Holiday Lunch was very well attended. Thank you to everyone who joined us, and a special thank-you to Joyce for organizing such a successful and enjoyable event.**

**January brings a couple of interesting outings. We will be revisiting the Sanderson Ford Car Museum. While many members have toured it before, this year's visit will be extra special as the owner's son will personally lead the tour, sharing fascinating stories and background on each car. We will also be taking a Recycling Tour to see what really happens to our trash and how the recycling process works — always an eye-opening and informative experience.**

**In February, our highly popular Tovrea Castle tour returns. This is our most requested event, and tickets have already sold out. Also in February, we'll visit Manistee Ranch Park, a site listed on the National Register of Historic Places. The historic home features antique furnishings, vintage photographs, and farm equipment that offer a wonderful glimpse into Glendale's early days.**

**March is packed with great opportunities. We'll tour the Palo Verde Nuclear Power Station, a rare chance to see one of the largest power plants in the nation. This tour is already 70% full, so please sign up soon if you're interested. We'll also head to the Hale Centre Theatre in Gilbert to see the Patsy Cline musical, based on the true story of her friendship with a devoted fan. Expect laughter, heartfelt moments, and many of Patsy's greatest hits. In addition, we'll enjoy *Pretty Woman* at the Arizona Broadway Theatre, the musical adaptation of the beloved romantic comedy. Only a few tickets remain for this show.**

**April features one of our most anticipated trips: the Verde Canyon Railroad. Join us for a four-hour ride through the beautiful Verde Canyon in Clarkdale. This unforgettable journey offers breathtaking scenery, abundant wildlife, and fascinating geology along Arizona's longest-running nature show. Also in April, we'll hold our Spring Picnic, with full details to be shared in the next newsletter.**

**As always, your feedback on any of our events is appreciated. Please email me directly or use the Contact form under MORE on our website. [hracaz.org](http://hracaz.org)**

# Recycling Tour

**Thursday, January 15, 2026 at 10am**

*Back by popular demand, we are revisiting the Phoenix Recycling Plant. Ever wondered what happens to all your trash and how it gets recycled? Well now you can find out*

## Zero Waste Team Education

The City of Phoenix has goals to reach 50% waste diversion by 2030 and zero waste by 2050, consistent with the goals set by the City's [Climate Action Plan](#). To reach these goals, Phoenix seeks to develop the circular economy and maximize recycling and reuse efforts to further divert resources away from the landfill. Our efforts will lessen environmental impacts by reducing the amount of greenhouse gases entering the atmosphere, while creating healthier communities, and spurring economic activity.

In order to reach the city's zero waste goal by 2050, the Zero Waste team provides education and community outreach to teach the community about waste diversion. These methods include group tours of the city's North Gateway Transfer Station and Materials Recovery Facility (MRF), educational presentations to schools, neighborhood and community meetings and hosting informational booths at community events.

Now you can experience the sight, sound and smell of recycling at the North Gateway Transfer Station.

**The address is:** 30205 N Black Canyon Hwy, Phoenix, AZ 85085.

Take Dixileta drive Exit off at I-17 and turn left at Gate 3 or if coming from the north get off at Jomax and go north to Dixi Leta

We have organized a group tour on Thursday January 15<sup>th</sup>, 2026 at 10am.

# The Sanderson Village and Museum

**Jan 23, 2026**

You are invited to tour a private, invitation only with the son of the owner, who designed the museum. Even if you have been before Matt spends time telling you all about each car and its history. The museum contains dozens of cars and nostalgic items, such as a beautifully recreated old mercantile store, a kitchen from the '40s and a '50s diner with oodles of chrome and period furnishings and accessories such as Coca Cola items from the '30s through the '50s. The 20,000 square-foot warehouse has one of the best Ford collections anywhere and has something for everyone to enjoy.

This free tour is at 9:30 am on Jan 23<sup>rd</sup>, 2026 in Glendale. The tour lasts 60 – 75 minutes. Afterwards you may visit the Starliner Diner on the same site and purchase a late breakfast or lunch. For **tour reservations** contact Keith Hughes at [keith8411@cox.net](mailto:keith8411@cox.net). Please tell me if you are staying for a meal as space in the diner is limited to 30 people. No limit to attend the event if not eating.

## ***Tovrea Castle - Sold Out***

**Friday Feb 6<sup>th</sup> and 13<sup>th</sup> 2026**

*Ever wanted to visit the building near Sky Harbor Airport that looks like a wedding cake? This place has become so popular that they had to institute a lottery system for tickets. Fortunately, I was able to get group tickets for two tours each with 12 people. If you go the engineers in you will realize why they had to strengthen the floors and see if you can find the eggs.*

Tours are approximately 2 hours and include the historic Castle's main floor and basement, extensive grounds and cactus gardens surrounding the Castle. Most of the tour is outside riding a tram so dress warm. The tour starts at 10.30 am and the grounds are cool. The tour is wheel chair accessible but no electric scooters are allowed. There are seats inside the building to rest so it is not a strenuous tour.

Guests are greeted by Tovrea Carraro Society volunteers at the Visitor Center and taken through the Carraro Cactus Gardens on a tram with a docent. The tour winds through the beautiful 44 acres, viewing the outer buildings, before arriving at Tovrea Castle.

**The Society has increased the price to \$25 each.**

Only a limited number of tickets are available, so book early to avoid disappointment.

If interested send the following to [keith8411@cox.net](mailto:keith8411@cox.net).

## ***Manistee Ranch Park***

***Private tour Saturday Feb 28, 2026, 10am – 11:30am***

Built in 1897 by a wealthy lumber baron from Wisconsin named Herbert W. Hamilton, Manistee Ranch began as a 320-acre spread along what is now Northern Avenue. Hamilton sold the place to Louis M. Sands, a prominent Arizona businessman and rancher, in 1907, and it stayed in the Sands family until it was sold to the Glendale Historical Society in 1996.

Today the ranch is on the National Register of Historic Places, and its four buildings – a garage, office, barn and house – can be visited to get a taste of Glendale's rich history. Attendees will tour a 7000-square-foot home decorated with antique furnishings that are original to the home or that were collected from within the city. The basement houses a collection of photographs, Glendale grammar school items and old farm equipment used on the ranch.

### **Event Details:**

- **Location:** Glendale, 52nd Avenue and Northern Avenue
- **Cost:** \$5 per person to be paid by each attendee at door, **CASH ONLY!**
- **Parking:** Enter parking lot from 51st Avenue, just south of the businesses at Northern Ave.

### **Date/Time:**

- Feb 28, 2026, 10:00 to 11:30 AM tour.
- Attendees will meet in front of the ranch no-later than **9:45 AM.**

### **Sign-up:**

# ***Palo Verde Nuclear Power Station Tour***

**March 5<sup>th</sup> and March 10<sup>th</sup>, 2026**

This is a unique opportunity to get up close to a nuclear reactor. However, this tour requires a lot of walking across a very large 4,000-acre campus so you must be physically fit. Palo Verde is located 45 miles West of Phoenix off the I10 and is the largest nuclear power plant in the United States serving about four million people.

The Palo Verde Generating Station is located in the Arizona desert, and is the only large nuclear power plant in the world that is not located near a large body of water. The power plant evaporates the water from the treated sewage from several nearby cities and towns to provide the cooling of the steam that it produces.

Each tour is limited to 20 people and starts on site at 9am. It starts with an overview briefing before a walking tour. Considering the remote location we might want to organize ride share. I will limit the tickets to 2 per member.

If interested send the following to [keith8411@cox.net](mailto:keith8411@cox.net).

Full Name and email address of each person going, phone number and zip code (to help ride share). Please indicate if you are willing to take passengers.

In the December 2025 edition I announced the November 2025 passing of Sharon Randolph. It is obvious to me from the news that I received before I sent the message and the reaction that I received afterwards that the loss of Sharon – and the memories of her – touched quite a few people. I have received a message from Dick Iodice about a proposed Celebration of Life for Sharon on Saturday, afternoon January 24 at Anzio's.

We need to know if we would have enough who would attend both to ensure that we would have enough room at the venue. Please reply to this if you are able to attend. We'll get an official date, place, and time out as part of the January 2026 monthly newsletter, which should come out about January 15, so please reply by January 14 in order that we can get a reasonable count.

**Not to rush the next monthly edition, but the next monthly luncheon will be at Lin's on Tuesday, January 20**

Here's a repeat of what we published in December:

Sharon Randolph, 80, died on November 24. Here are a few words from Jeff Schuette: Sharon was a unique human being who brought joy to everyone she touched! We who worked with her knew her as the STAR Dispatcher who made sure that every customer problem was in the right hands and that traction was being made each day or else! To brighten a long work day, she dispatched ice cream sandwiches to everyone! For work BBQs at the park, she brought her famous jambalaya that everyone loved! Sharon was the go-to person for luncheons, as she knew every good spot, knew the restaurant personnel by name, and could tell you which entree was the best! Sharon always remembered your birthday and made it a fun day! Sharon was an angel on earth and now an angel in heaven! RIP our friend – you will be missed by everyone you touched!
