Keith's Thoughts

Hello everyone!

The weather is starting to cool down, and that means we can start looking forward to our upcoming fall activities! We've got an exciting schedule ahead with plenty of opportunities to learn, explore, and enjoy time together.

We kick off **November** with a visit to the **Commemorative Air Force Museum**, home to several restored planes and fascinating military artifacts. Our docent will be a former Honeywell pilot who does an excellent job explaining the displays and sharing his experiences.

December, we'll attend the **Arizona Broadway Theater** for their production of *A Christmas Story*, based on the beloved classic film. This is always a popular event, and tickets sell quickly, so don't delay!

We've finalized details for our **Holiday Lunch**, which will be held at the same location as last year — still the best value we could find. While we explored more central venues, most charged large room fees in addition to the meal. Last years' service was excellent, and this year's new menu promises to be even better. Please sign up early so we can provide final numbers in advance.

In January, we'll return to the **Sanderson Ford Car Museum**, a private collection that many members have visited before. This time, the owner's son will lead the tour, sharing stories and history about each car — making this visit a fresh experience.

We'll also take a **Recycling Tour** to learn what really happens to our trash and how the recycling process works — an eye-opening and educational outing!

February brings two wonderful opportunities. First, we'll revisit **Tovrea Castle**, one of our most requested tours. Since COVID, tickets have become so limited that a lottery system was introduced, but thanks to a Garrett Club member whose daughter is President of the Tovrea Carraro Society, we're able to schedule our own private group tour! Let me know early if you'd like to attend.

We'll also visit **Manistee Ranch Park**, listed on the *National Register of Historic Places*. The ranch features four historic buildings — a garage, office, barn, and house — that offer a glimpse into Glendale's past. The 7,000-square-foot home includes antique furnishings, vintage photos, and historic farm equipment that tell the story of the area's rich history.

In March, we'll tour the **Palo Verde Nuclear Power Station** — a rare and fascinating opportunity to see one of the largest power plants in the country. Space is very limited, so sign up quickly if you're interested!

In March we will be attending a musical – **Always Patsy Cline** - at the popular Hale Theater in Gilbert. This an opportunity for members who reside in southeast Phoenix.

As always feedback about any event we receive is appreciated. Either email me directly or go to MORE on our website and use the contact form.

Keith Hughes.

Ping Factory Tour Success

Our two-hour Ping Factory Tour started with an introduction to Ping history, mostly about Patriarch, Karsten Solheim, and how a GE engineer ended up in the golf equipment manufacturing business! Ping has expanded significantly over the years and is still a family-owned business. One interesting fact that amazed me is that Ping has only borrowed money once in its entire 66-year history and that was to buy its initial milling machine.

We visited the new club manufacturing factory floor. For anyone who was involved in a Quality Black Belt project this was particularly fascinating as our excellent guide described in detail the flow of materials from incoming to shipping and the attention to quality control throughout. We were also shown several other areas of the factory that support or supplement the golf business.

Our group was also permitted to enter the “Putter Vault” which contains a gold plated putter, inscribed with the golfer’s name and date, representing every Ping putter used to ever win a sanctioned event. White gloves were given out for those of us who wanted to touch or handle the golden putters. Yes, it really is a huge locked vault!

If you couldn’t join us, but are interested in taking this interesting tour on your own, here is the link to schedule with Ping: <https://ping.com/en-us/customer-service/campus-tours>

Recycling Tour

Thursday, January 15, 2026 at 10am

Back by popular demand, we are revisiting the Phoenix Recycling Plant. Ever wondered what happens to all your trash and how it gets recycled? Well now you can find out

Zero Waste Team Education

The City of Phoenix has goals to reach 50% waste diversion by 2030 and zero waste by 2050, consistent with the goals set by the City's [Climate Action Plan](#). To reach these goals, Phoenix seeks to develop the circular economy and maximize recycling and reuse efforts to further divert resources away from the landfill. Our efforts will lessen environmental impacts by reducing the amount of greenhouse gases entering the atmosphere, while creating healthier communities, and spurring economic activity.

In order to reach the city's zero waste goal by 2050, the Zero Waste team provides education and community outreach to teach the community about waste diversion. These methods include group tours of the city's North Gateway Transfer Station and Materials Recovery Facility (MRF), educational presentations to schools, neighborhood and community meetings and hosting informational booths at community events.

Now you can experience the sight, sound and smell of recycling at the North Gateway Transfer Station.

The address is: 30205 N Black Canyon Hwy, Phoenix, AZ 85085.

Take Dixileta drive Exit off at I-17 and turn left at Gate 3 or if coming from the north get off at Jomax and go north to Dixi Leta

We have organized a group tour on Thursday January 15th, 2026 at 10am.

- This tour is free
- The tour lasts 1 hour.
- This tour is handicap accessible

To sign up: go to [HRACAZ.ORG](https://hracaz.org) and select Events or click [Here](#) to go straight to the Event Calendar and scroll down to the Recycle event. Alternatively, contact Kirk Anderson at kirk-anderson@cox.net

The Sanderson Village and Museum

Jan 23, 2026

You are invited to tour a private, invitation only with the son of the owner, who designed the museum. Even if you have been before Matt spends time telling you all about each car and its history. The museum contains dozens of cars and nostalgic items, such as a beautifully recreated old mercantile store, a kitchen from the '40s and a '50s diner with oodles of chrome and period furnishings and accessories such as Coca Cola items from the '30s through the '50s. The 20,000 square-foot warehouse has one of the best Ford collections anywhere and has something for everyone to enjoy.

This free tour is at 9:30 am on Jan 23rd, 2026 in Glendale. The tour lasts 60 – 75 minutes. Afterwards you may visit the Starliner Diner on the same site and purchase a late breakfast or lunch. For **tour reservations** contact Keith Hughes at keith8411@cox.net. Please tell me if you are staying for a meal as space in the diner is limited to 30 people. No limit to attend the event if not eating.

Tovrea Castle

Friday Feb 6th and 13th 2026

Ever wanted to visit the building near Sky Harbor Airport that looks like a wedding cake? This place has become so popular that they had to institute a lottery system for tickets. Fortunately, I was able to get group tickets for two tours each with 12 people. If you go the engineers in you will realize why they had to strengthen the floors and see if you can find the eggs.

Tours are approximately 2 hours and include the historic Castle's main floor and basement, extensive grounds and cactus gardens surrounding the Castle. Most of the tour is outside riding a tram so dress warm. The tour starts at 10.30 am and the grounds are cool. The tour is wheel chair accessible but no electric scooters are allowed. There are seats inside the building to rest so it is not a strenuous tour.

Guests are greeted by Tovrea Carraro Society volunteers at the Visitor Center and taken through the Carraro Cactus Gardens on a tram with a docent. The tour winds through the beautiful 44 acres, viewing the outer buildings, before arriving at Tovrea Castle.

The Society has increased the price to \$25 each.

Only a limited number of tickets are available, so book early to avoid disappointment.

If interested send the following to keith8411@cox.net.

- Name, number of tickets, preferred date and cell phone number in case of last-minute changes.

Manistee Ranch Park

Private tour Saturday Feb 28, 2026, 10am – 11:30am

Built in 1897 by a wealthy lumber baron from Wisconsin named Herbert W. Hamilton, Manistee Ranch began as a 320-acre spread along what is now Northern Avenue. Hamilton sold the place to Louis M. Sands, a prominent Arizona businessman and rancher, in 1907, and it stayed in the Sands family until it was sold to the Glendale Historical Society in 1996.

Today the ranch is on the National Register of Historic Places, and its four buildings – a garage, office, barn and house – can be visited to get a taste of Glendale's rich history. Attendees will tour a 7000-square-foot home decorated with antique furnishings that are original to the home or that were collected from within the city. The basement houses a collection of photographs, Glendale grammar school items and old farm equipment used on the ranch.

Event Details:

- **Location:** Glendale, 52nd Avenue and Northern Avenue
- **Cost:** \$5 per person to be paid by each attendee at door, **CASH ONLY!**
- **Parking:** Enter parking lot from 51st Avenue, just south of the businesses at Northern Ave.

Date/Time:

- Feb 28, 2026, 10:00 to 11:30 AM tour.
- Attendees will meet in front of the ranch no-later than **9:45 AM.**

Sign-up:

- Sign-up by 2/7/2026; space is limited to 20
- Contact Barbara Brockett at: hrac.membership@gmail.com or 623-251-0221
- **OR Sign-up On-Line @ [Manistee-Ranch-Park](#)**

Wheelchair Accessibility: Elevators are available for access to 1st floor of tour only

Palo Verde Nuclear Power Station Tour

March 5th and March 10th, 2026

This is a unique opportunity to get up close to a nuclear reactor. However, this tour requires a lot of walking across a very large 4,000-acre campus so you must be physically fit. Palo Verde is located 45 miles West of Phoenix off the I10 and is the largest nuclear power plant in the United States serving about four million people.

The Palo Verde Generating Station is located in the Arizona desert, and is the only large nuclear power plant in the world that is not located near a large body of water. The power plant evaporates the water from the treated sewage from several nearby cities and towns to provide the cooling of the steam that it produces.

Each tour is limited to 20 people and starts on site at 9am. It starts with an overview briefing before a walking tour. Considering the remote location we might want to organize ride share. I will limit the tickets to 2 per member.

If interested send the following to keith8411@cox.net.

Full Name and email address of each person going, phone number and zip code (to help ride share). Please indicate if you are willing to take passengers.

Always... Patsy Cline | A Heartfelt Musical

Monday, March 09, 2026, 4:00 PM

Based on a true story about Patsy Cline's friendship with a fan who befriended the star in a 1961 Texas honky-tonk. Complete with down home country humor, true emotion, and even some audience participation, this show includes many of Patsy's unforgettable hits such as "Crazy," "I Fall to Pieces," "Sweet Dreams" & "Walking After Midnight." 27

Run Time: approximately 2 hours

Pre-show Happy Hour: 3:00 PM

An optional meet-up at a restaurant very close to the theater is planned.

Where: 50 West Page Avenue, Gilbert, AZ 85233

Price: \$45 per person

As this is our first time hosting an event at the Hale Theatre, we have reserved 20 seats and will finalize reservations and begin collection payments in January.

- Contact Barbara Brockett at hrac.membership@gmail.com to be added to the reserved list.
- Wheelchair accessible seats are available upon request.
- Members may reserve / purchase 4 seats maximum.

Insight into our History

Q

QUALITY PERSON OF THE MONTH—July

DOUG METZGER

THE UPC SEQUENCING software is a large package with many user visible issues. During the design and definition phase, Doug Metzger coordinated inputs from many sources, including Control Room Systems, Projects and Marketing employees in both Phoenix and Fort Washington.

He constantly kept everyone up-to-date with the latest design decisions and was relentless in pursuing all the loose ends. He was meticulous in documenting all functions, issues and design decisions, and

tied everything together to make a complete package that is satisfactory for everyone.

For doing a quality job, Doug was selected by the Recognition QIT as IASD's Quality Person of the Month. He received \$50, a reserved parking space for one month, and a video-cassette recorder. *Nominated by Meri McCarthy.*

Doug Metzger, *left*, is congratulated by Rod Woods, vice president of Operations.

Desert Botanical Gardens

Things to do

Free admission days, Second Tues of each month - 8AM - 6PM

The Desert Botanical Garden has free admission on the second Tuesday of the month from the hours of 8-6 PM. The garden and the neighboring Phoenix Zoo are accessible from the bus line; however, not by the light rail.

Best advice is to check the bus schedule, as times and bus numbers are subject to change.

Desert Botanical Garden is a 140-acre botanical garden located in Papago Park, at 1201 N. Galvin Parkway in Phoenix, Central Arizona.

Founded by the Arizona Cactus and Native Flora Society in 1937 and established at this site in 1939, the garden now has more than 50,000 plants, in more than 4,000 taxa, one-third of which are native to the area, including 379 species, which are rare, threatened or endangered.

All guests (members or general admission guests) are required to register and have a timed- entry ticket prior to entry to the Garden.

Honeywell Clubs Fix-It Guys Program

Sponsored by Honeywell, Garrett & Aero Activities Clubs

We help Honeywell retirees or surviving spouses with fix-it jobs around the house.

This program is designed to keep the job from being a budget buster for you.

Call our Coordinator: **Frank Holman @ 602-695-2565** to schedule a trip to your home.

If you reach voice mail, leave a clear message giving job information, your name, telephone number and nearest cross streets. We will get back with you to schedule a visit.

Are YOU Handy?

Your Clubs really need your help!

We're hiring!!!

You don't have to be a contractor level kind of handyman—just generally handy around the house.

Some of you may have special skills (Computer/Plumbing/Electrical/Drywall) that can significantly help our members in need. **Why not try it?**

Call: **Frank Holman 602-695-2565** - We would love to talk with you!
