News & Events

Week of the Poor: November 9 to the 15. Sunday the 15th is "World Day of the Poor". The Secular Franciscans are suggesting that this is a good time to take an inventory of our experience with the poor in our communities including street people, the lonely and elderly, the disabled, those struggling with physical and mental illnesses, the growing number of unemployed and those struggling with choices of paying rent, food, medicine and clothing, which most especially effects children. And now we ask the question: What can I do to make a difference?

The Knights of Columbus will have this year's edition of their "Celebrate Christ in Christmas" cards available at the masses on November 14 and 15. There are 12 cards in each package and the price is $15.00. There are 4 different cards available, some packages will be mixed, and some will be all the same cards. This year's cards have been designed and printed in Canada. For further information please contact Tony Kelly at 613-962-0763.
