Gift Card Fund Raiser Facts

Since we began selling Grocery Gift Cards, we have seen a profit of \$100 000.00, an average of \$5000 per year. However, that number has not really grown year over year which means that the same people are supporting the program.

How can you help grow the profits for your church to serve your community?

Buy a Gift Card!

Give them as gifts: Everyone is feeling the pinch at the grocery store these days. Just about anyone would appreciate getting some free groceries.

Promote them to your friends: The office sells Gift Cards all week during office hours. Anyone can come in and buy a card.

Food Bank: If the items on the necessity list are not received by donation, Gleaner's must purchase those items. They can spend a gift card to fill their baskets AND you can request a tax receipt for the donation.

Use them yourself: Don't know where you want to shop? Buy one for each store and cover all your bases.

Want to earn your PC/Scene/Moi Rewards? Once you have your gift cards, they act as cash to pay your bill and earn your points.
