

Rejoice!! Alleluia!! On the ***Solemnity of the Transfiguration, Wednesday August 6th, 2025***, there will be ***The Mass of Perpetual Profession*** of Sister Beata Victoria S.V. The Mass will be live-streamed from St. Patrick's Cathedral in NYC at [www.youtube.com@Saint PatricksCathedralNYC](https://www.youtube.com/@SaintPatricksCathedralNYC). Sr. Beata Victoria was born in Belleville and is the daughter of Silvana Loughheed.

All are invited to give thanks and **pray with and for** Sr. Beata on **Sunday, August 17** at the **11am Mass** at **St. Michael the Archangel Church**. There will be a reception for Family and close Friends in the parish hall following the Mass. A heartfelt thank you to the CWL and numerous parishioners and friends for their generosity in making the reception possible! It is good to celebrate the good news of yet another young woman's "fiat", taking vows of chastity, poverty, obedience, and the upholding of the sacredness of life from conception to natural death. There are now **140** Sisters of Life from nine different countries. They were founded by Cardinal O'Connor in 1991 in New York City. Blessings and grace in abundance to our Church and to our world!!
