**\*All changes made to this application & contract are in red**

Thank you for your interest in the Hudson Valley Holistic Market. Prospective vendors must complete & submit this application. HVHM is seeking vendors who are willing to commit to the event and we understand the time and energy this takes. We jury all vendors, readers, and practitioners. *If you have spoken to Maryalyce and were advised to send this in, or if she has emailed this to you, you have already been pre-approved.* HVHM will review your application promptly & notify you as to whether there is a current opening for the goods and services you offer. If not, HVHM will keep your application on file for the future. If your application is approved, payment must be received within 5 days. Vending fees are NON-REFUNDABLE, however we **may** consider requests on a case by case basis and issue credits for future vending dates in the event of emergencies. The number of vending spaces is limited and FEES MUST BE PAID IN ADVANCE TO SECURE YOUR SPACE. One business entity per paid space. One reader or practitioner per space. Space sharing is not permitted.

We are only accepting retailers and service providers of holistic, eco-friendly, natural, new-age and hand-crafted products and services. This includes locally grown food, herbs, honey, etc. Food vendors are required to display a health department certificate.

We are also accepting applications for readers, wellness service providers, crafters, artists and artisans. This application has information for each of our events. Note that our events may be quite diverse, so please read this application and complete the contract carefully.

HVHM Management creates these events with the belief that there is enough abundance in the Universe for everyone. We are blessed to have a community that has so many healing practitioners,

readers, and soul-level entrepreneurs. We expect to receive applications from practitioners who offer the same healing modalities. We will be working with each of our beloved practitioners so that we have a variety of Divination offerings and healing modalities available at our events. This should work well so that vendors are able to vend, and will also encourage us to support others within our community. We ask that you only offer the products, modalities & divinatory practices that you are approved for. We also ask that you try to keep all bags & packaging materials as eco-friendly as possible.

Due to ongoing regulations relating to the COVID-19 pandemic, we will be reviewing the rules and regulations for individual events a few weeks before each event date. As of July 1, 2021, we will be making every attempt to place vendor tables with some space between them. Other things we will be considering are the wearing of masks, distancing, and attendance regulation. We will make a final decision as to how we will be handling these details 2 weeks prior to each event and we will send this via email. We expect and request that all vendors who have signed this contract will comply with those health and safety requests.

We continue to host the best holistic vendors, practitioners, wellness centers, natural product reps, and artisans. We have holistic practitioners and some of the best readers, mediums, and psychics in the Hudson Valley.

**\*Lunch/Dinner Orders:**

When we make the move to Fishkill Recreation, we have use of the full kitchen. Consequently, we are working to secure a food vendor for the event who can offer healthy options that also take into consideration people's food allergies. It is our hope that if we have a food vendor on site that our vendors and attendees will patronize them to make it worth their while to return for future events.

We are working on having the same food vendor on site at Locust Grove. Breakfast options are already in the vending fee for this event, and we will absolutely be providing that, but we are hoping that the food vendor would remain on site throughout the event for lunch and other goodies throughout the day.

If we cannot secure an on-site food vendor, we will be placing our usual lunch delivery order from Antonella's in Fishkill. If you wish to place a food order, please have cash available. On Sundays, we order at 11am, and food arrives around 1 pm. For the evening events, we will be placing orders prior to the event date due to the Saturday dinner rush. We are happy to provide all vendors with individual receipts for your records. We will be providing a link to the menu a few days prior to the events.

**Payments for your vending dates are due when your contract is submitted. Please refer to the payment page for some earlybird discount information.**

**Applications and payments for events are due prior to that event. In the event that a vendor/reader/practitioner wishes to withdraw from an event date more than 10 days before that event, you will be allowed to choose an alternate date once. Vendors/readers/practitioners who withdraw with fewer than 10 days notice forfeit that date as well as any payments made. Payments are non-refundable. In the event of inclement weather, if we have to reschedule, your payment will be applied to the new date. If you cannot make our rescheduled date, you will be able to use that credit toward any future event within 6 months of the rescheduled event. In the event that an event you paid for is cancelled by management, your invoice will be adjusted, and if payment has already**

been made, you will be issued a credit which can be applied toward any event dates within 6 months of the canceled event.

Any vendor who wishes to add dates to their contract must do so in writing via email to hvholisticmarket@gmail.com

Swag bags will be offered to the 1st 25 people through the door at all indoor markets. If you would like to contribute a small product, sample, coupon, etc, please get your items to Maryalyce in Wassaic no later than the dates below. All swag items should be shipped or dropped off to Maryalyce at the mailing address in Wassaic. If you would like to contribute a small product, sample, coupon, etc, please get your items to Maryalyce in Wassaic by the following deadlines:

Winter Wellness (2/27)	swag needs to be received by 2/15/22
Psychic Fair (9/24)	swag needs to be received by 9/15/22
Healing ROCKS (11/13)	swag needs to be received by 11/1/22
Holiday (12/4)	swag needs to be received by 11/15/22

Vendor space placement is pre-assigned based on needs such as request for electric access, as well as on the basis of a first-paid, first-assigned basis. No particular space logistics can be guaranteed. Reasonable accommodations can be made for those who have special needs. Please notify HVHM management in advance. I am able to make reasonable accommodation at the time your contract is submitted. NO SWITCHING BY VENDORS WILL BE ALLOWED ON SITE! This may change if local COVID regulations change.

Healing practitioners must advise if they are bringing equipment such as massage tables or treatment chairs, etc. If you are bringing a garment rack, massage table or treatment chair, that will count as an additional space and must be reserved as such. We are no longer accommodating surprises. When in doubt, call or email with photos.

- Earlybird discount 1/1/22

Please note that we have a Vendors Only Shopping Hour back during our Holiday Market in December, and also have a Vendor Breakfast. This is an extra hour to allow vendors to jingle & mingle, patronize other vendors, get some of their own holiday shopping done, squeeze in some network marketing, and enjoy each other's company.

We will be opening load-in at 7:30am, and serving a light buffet breakfast from 8:00-9:30am. Vendors, readers, and practitioners are asked to be **fully set up by 9am** for the vendors-only shopping. We open to the public at 10. It would be very appreciated if you can offer "vendor specials" during that time. You are welcome to barter with one another as well. This is something fun that we are adding. Cost for this event includes 1 breakfast ticket. Additional tickets are available for \$15/ea if you have vending assistants who are coming with you.

Our Vendor Breakfast will be provided by a local business that is approved by the venue. We will be emailing a menu once we secure that provider. Please return that menu to us by the date indicated at that time. One breakfast package is included in your vending fee. Additional breakfast packages will be available for a separate fee.

### **Vendors who require spaces with electricity:**

**There are fewer spaces with electricity available at the Fishkill Recreation Center. The electrical outlets are also spaced farther apart. If you are renting a space that includes electricity, please make sure you pack additional extension cords.**

**Earlybird Discounts:**

An "earlybird discount" of \$10 per event will be applied to all applications received **and paid in full** by 1/1/22. Reserve all 5 events and pay in full by 1/1/22 and take \$55 off your total.

**Late Fee:**

Please note that we will continue to book vendors past the deadlines listed if we still have spaces available, however a \$5 late fee will be assessed for applications and/or payments that are not received by the event due dates.

**Payments are due for the dates you are reserving when your contract is submitted.**

**BY COMPLETING THIS APPLICATION AND SIGNING THE AGREEMENT, THE VENDOR AGREES TO:**

- Print & distribute at least 25 copies of our official flyer or post cards. We would love for you to print flyers if you are able. This helps both you and the market. Please also feel free to share these via email to your lists, social media pages, etc.
- Begin setting up the exhibit no later than 1 hour prior to the opening of the event. Please note that if you are not ON SITE 1 HOUR PRIOR TO OPENING and we have received no phone call from you that you will be running late, your space may be assigned to another vendor on our wait list.
- All vendor supplied tables must not exceed a standard 6' x 30" table size. Spaces are 6' wide with enough space for your chairs to fit comfortably behind. The exception to this is for those who reserve Upgraded Spaces or Premium 10x10 spaces. We have seen an increase of people bringing two 4' tables or additional smaller side tables. Going forward, you will be charged for these if they extend the length of your space and encroach on the space we have allotted for you or your neighbor. We will attempt to make space for your additional furniture at the event, but you will be charged for the extra space either on site or via separate invoice after the event concludes. We will NOT disrupt spaces that we have set for you and your vendors because you have brought displays that you have not informed us about. If you have any questions, please send us a picture of your setup prior to submitting this contract and we will be happy to discuss this **before an event.**
- **Outdoor Spaces at Fishkill Recreation:** We have a limited number of outdoor spaces available at Fishkill Rec. For obvious reasons, these are weather-dependent. If you are reserving and paying for a premium space and would like to set up outside, you will have a 10'x10' space to do so. The area where we are allowed to set up these spaces is on blacktop. It is also in the back of the building. This area will be coned off on event days where it will be in use. Access to

these spaces is through the doors of the main hall as well as from the parking lot. If you would like an outdoor space, you will be required to bring your own awning, and it **MUST** be weighted down appropriately. The major benefit I see to this setup is that you would have more versatility for your set up and could spread out better than if you were inside. We will offer these outdoor spaces for our daytime events as long as the weather forecast calls for a temperature of 50 degrees or above. There are no outdoor spaces at Locust Grove, as our event there will take place in December. There are absolutely no awnings allowed inside at Locust Grove.

- We would like to resume our morning intention affirmations before each event. You are welcome to join us a half hour before each event to set intentions for the day.
- Remain set up for the entire length of the event unless otherwise advised by Hudson Valley Holistic Market Management. You should be set up no later than 9am for Vendor Hour, and may not begin packing up until the close of business at 5pm. Vendors agree to be completely broken down by **90 minutes after the market closes**. Vendors who strike their setups early will not be welcome back to future events.
- We will be applying for Public Assembly permits from the Town of Fishkill when our events take place within their jurisdiction. The Fire Marshall will be visiting our events to ensure that we have set up our space safely and appropriately. Your full respectful cooperation is expected if they determine that your table or displays have to be moved or shifted. It will not matter to them whether or not you are already set up for the day. We will be giving them our full cooperation.
- Vendors who are still loading out from the venue past the 90 minute allotted time frames will be invoiced for the over time that we will be charged past our allotted rental time. That rate is \$60 per hour, which is not broken down into minute increments. So if you are 5, 10, 20 etc minutes over, then the \$60 still applies because we are into the next hour of rental time. This is the fee that the market will incur from the venue that we will be passing along if this happens. It has been my experience over many of our events that most, if not all vendors have vacated the event by this time.
  - 11:30pm 9/24
  - 6:30pm 11/13 & 12/4
- Cooperate in and around the gathering of trash around your space.
- Withdraw any material found objectionable by the Market.
- Vendors agree to refrain from the sale of unauthorized copies of tangible and intangible goods. This includes “pirated” Tarot and oracle decks, plagiarized books, and other unauthorized copies of books, tools, works of art, and other.
- Sell **ONLY THE PRODUCTS AND SERVICES APPROVED** by management on the application.

- If a vendor has products not listed on the application that are in conflict with nearby vendors, the Market may ask that the products be removed. (This will be enforced).
- DO NOT bring loud speakers or PA systems without prior approval.
- DO NOT create your own Facebook event for any of our market dates. Please share our official events & invite your friends, family, and clients through our page and events. We sponsor each of our events and we also post all updates there. Any unofficial events will be reported to Facebook as a violation of intellectual property until they are removed by their creator.
- Indemnify, defend and hold harmless Maryalyce Merritt, the Hudson Valley Holistic Market, Akasha's Journey, **Locust Grove, or the Town of Fishkill**, its agents, officers, employees and representatives for all claims of bodily injury, property damage and bodily injury including all consequential financial loss resulting therefrom as well as all legal expenses involved in handling such claims.
- Collect and pay all municipal state and federal taxes related to all sales made in accordance with your business model.
- THE VENDOR AGREES TO PAY A NON-REFUNDABLE SPACE RENTAL FEE, TO BE REMITTED IN FULL WHEN SUBMITTING THIS CONTRACT.
- HVHM Vendors are required to provide copies of all licenses and/or permits necessary to the types of products you are planning to sell: i.e., Board of Health permits, nursery license, authorization to collect sales tax (if your business is required to do so).
- **CBD Vendors are required to provide copies of their NYS Hemp & Cannabis licenses prior to the event and must bring a copy to the event. CBD and hemp vendor approval is dependent on this.**
- Children are welcome at our marketplace, but must be well-behaved and engaged in safe behavior. Vendors who bring their child(ren) must remain actively engaged in their supervision at all times. Child(ren) must be directly supervised by their parents during the hours of the marketplace including setup and breakdown. No running, rough play, yelling, harassing vendor neighbors, or other inappropriate behavior, ESPECIALLY those behaviors that disturb market vendors, attendees, staff, etc. This includes other creative forms of inappropriate behavior. HVHM management reserves the right to speak to your child and to you to manage any adverse situations that are occurring at any event. Should management need to intervene more than once, you and your child(ren) may be asked to leave that event and you forfeit your ability to bring your child(ren) to any future events.
- HVHM management requires vendors to attend the date that they commit to unless the vendor notifies HVHM management when submitting application or contacts the market manager if an emergency occurs. No call/no show vendors will not be allowed to vend subsequent events & forfeit their fees paid.

- Vendor agrees to operate their booth in a safe and courteous manner.
- Vendor agrees to bring positive energy to the event.
- Vendor agrees to refrain from bringing any drugs and illegal substances onto **Town of Fishkill and Locust Grove properties** including their own vehicle, which may be parked on the premises.
- Vendor agrees that if they do not notify management & fail to show for an event, they forfeit my right to vend at all other HVHM and Akasha's Journey events and also forfeit any moneys paid.
- Vendor understands that failure to comply with the rules and regulations could result in dismissal from the market.
- Vendor understands the booth size and hours of operation are determined by the market's management and even if you do not agree with them, you will abide by them.
- Vendors are responsible for enforcing COVID-19 protocols as they pertain to your business and your customers while on our premises.
- HVHM management may request that vendors wear masks during events regardless of individuals' vaccination status. Management will inform vendors via email within 14 days of the event, as this decision may change.
- Vendors must provide hand sanitizer at their booth for themselves and customers
- Vendors are asked to be mindful of aromas and odors that are produced by their products and by their booth staff. Management is mindful of the placement of aromatherapy and scented products and other vendors who have requested to be placed away from those things. If you are a nicotine or marijuana smoker, please do not return to your booth smelling like smoke or marijuana. We respect your rights to indulge or medicate. Marijuana is not permitted anywhere on Town of Fishkill property or on Locust Grove property. This includes private vehicles that are parked on site. If you have a medicinal need to smoke marijuana, you must leave the property to do so. There are no exceptions. We ask that you please respect your neighbors by returning to the event in a way where your choice does not affect your neighbors and customers for the day. (We have had to answer multiple complaints about some vendors whom we love, but who are affecting their neighbors & our customers). We know this is a sensitive topic. We respect your life choices. Please respect those of your customers & neighbors. Both the Town of Fishkill Rec Center and Locust Grove have designated cigarette smoking areas outside the building. If you must take a smoke break, please do so in only in these designated areas away from other vendors and attendees. If we are asked to leave or are not permitted to return because of violation of these smoking policies, we will be passing along any fees incurred and deposits lost to the individuals or businesses who are responsible for the noncompliance. Vendors, readers, practitioners, assistants, and customers who arrive with an odor that will affect their neighbors may be denied entrance until they can rectify the situation. Vendors, readers, practitioners,

assistants, and customers who arrive or return to the event under the influence of substances, illegal or legal, will be denied entrance or reentrance and forfeit any deposits paid and forfeit their right to return to future events. (Note that we completely understand the difference between having smoked marijuana for medicinal purposes and being high from overuse.) This new rule is a direct result of customer and vendor feedback and complaints from previous events as well as venue rules and consequences.

*The Following are rules per our signed contract, in cooperation with the Town of Fishkill:*

- We are responsible for the appropriate supervision of ALL guests. If minors are not supervised appropriately and a Town staff member must step-in to supervise them, the \$200 security deposit will not be returned to the HVHM. HVHM will pass along this fee to the vendor who is responsible for supervising these parties.
- The HVHM is renting the Main Hall & for some dates the Multi-purpose Activity Rooms ONLY. Absolutely no use of the Gymnasium is allowed by our group.
- ABSOLUTELY NO ALCOHOL, ILLEGAL SUBSTANCES, OR WEAPONS OF ANY KIND ARE ALLOWED ON THE PREMISES. SMOKING IS PERMITTED OUTSIDE IN DESIGNATED AREAS. HVHM is responsible for monitoring our guests.
- Any of the following may result in EARLY TERMINATION of the Rental/Event/Party AND If such a termination is necessary, there will be NO REFUND of rental fees or deposit. If the HVHM incurs any early termination or withholding of our deposits or fees due to vendor action, said vendor(s) will be liable for those fees and lost deposits paid to be back to the Hudson Valley Holistic Market.
  - Damage to Town of Fishkill Property/Equipment
  - Police Action is needed to control the Event/Rental
  - Aggressive or unruly behavior, violence, and/or inappropriate language from any member of your party towards guests or staff.

### *Readers and Healing Practitioners*

- Understand that as an approved healer/reader, you may be approved and scheduled to offer specific modalities only during the Market. You agree to only provide the modality/divination type that is agreed upon between myself & HVHM Management.
- All new (to us) readers must submit 3 references and may be asked for a sample reading.
- All readers & practitioners will need to email a bio & picture along with the length of your sessions and what you charge. We make every attempt to accept pre-booked appointments for you and that will be done by the Market. You will, however, accept your own payments. HVHM does not ask for a percentage of your income from our events.
- Any practitioner who is offering in-person sessions will be required to practice in a safe manner and follow guidelines at least for licensed massage therapists. This is including, but not limited to:
  - Making sure clients wear a mask as State or Local regulations require and as HVHM requests.
  - Practitioner must wear a mask as State or Local regulations require and as HVHM requests.

- Use of clean sheets as well as cleaning equipment between each client.
- Having clients complete additional COVID-19 Questionnaire prior to treatment if State or Local regulations require
- Taking client's temperature prior to treatment if State or Local regulations require
- You are required to provide your own thermometer, clean linens, etc.
- Your clients will be required to follow State and Local regulations regarding the wearing of masks and social distancing during a reading.
- Please discourage clients from placing their hands directly on your cards or divination tools
- Readers/Practitioners understand that it is HVHM's intention for all of the vendors to do well and to create an abundant atmosphere. As such, understand that as an approved healer/reader, you may be approved and scheduled to offer specific modalities only during the Market. If this pertains to the healing modalities or divinatory tools that you use, you agree to only provide the modality/divination type that is agreed upon between you & HVHM Management.
- All readers & practitioners will need to email a bio & picture along with the length of your sessions and what you charge. Readers & practitioners may make every attempt to accept pre-booked appointments. You will accept your own payments. HVHM does not ask for a percentage of your income from our events. Your prices are your choice, but we do ask that you do not intentionally undercut your neighbors or otherwise engage in unethical business practices.

In the case of inclement weather, management will post intentions to the Hudson Valley Holistic Market-Vendors Information Group & to the Market Page. If the weather forecast calls for extreme conditions, a decision may be made to cancel that day's Event. Understand that HVHM Management is not responsible for the weather. Should we have to do this, every effort will be made to reschedule that day's event. You will be welcome at the rescheduled event, but if you absolutely cannot make the rescheduled date, you will be able to choose an alternate date from our Market schedule as long as it is within 6 months of the canceled event date.

All vendors including readers and practitioners will be added to our vendor email list. We do not send out many emails. We do not spam. We do not sell this list. All information will remain private. This is our primary form of communication. If you do not wish to receive emails from us, please opt out by initialing here \_\_\_\_\_. You will also have the option to opt out through any emails you receive.

**Note again that changes made to this contract are in red to stand out to vendors who have previously submitted contracts, not because we are angry. We always make our updates in red.**

I, the undersigned, have read the Rules and Regulations of the Hudson Valley Holistic Market and do agree to abide by all the rules and regulations.

I verify that all information I have provided about my business and products for sale is true.

THE UNDERSIGNED EXHIBITOR AGREES TO FULFILL THE CONDITIONS STATED ABOVE.

Please snail mail or scan & email **all pages of this application & contract in a .pdf** format to the address below to hold your space. **Note that as of 2/9/2020 we will be rejecting applications that do not adhere to this request. If contracts are scanned and sent as other file types other than .pdf files, we will be a \$5 surcharge added to your invoice to convert and/or print these files. We must receive them in a format that is legible and usable, and that we can sign and return to you. It is for this reason that we must receive the document back in its entirety with your signature. Please, please do not send us photos of your pages.**

**If you have submitted an application & contract to us previously for 2022 events and have paid, please just sign and submit this page only stating that you have read the updated information (in red) and agree to the rules, including updated ones. If you have submitted a contract to us for 2022 and have not paid for the remaining dates yet, we will require a new contract be submitted.**

Only paid spaces are considered confirmed. Invoices are sent via email (through Quickbooks) for all events. If you send payment with your contract, your invoice will show "Paid In Full". Once the contract & payment are received, your business info will appear on our social media pages. Due to extreme delays in USPS handling since 2020, we discourage snail mail. However, if you are mailing us your contract, it would be helpful to let us know that so we can keep an eye out for it.
